SETTING THE STANDARD

STUBBLEMASTER 1210 FLEX WING SLASHERS

STUBBLEMASTER 1210 FLEX WING SLASHERS

- 12.1 metre cutting width
- 240hp minimum tractor requirement
- Heavy duty 275hp input gearbox
- Heavy duty 116hp rotor gearboxes
- Slip clutch protection
- 12 large pneumatic rear wheels
- Anti-scalp rotor protection dishes
- 42 x Heavy Duty Cutting Blades (6 Per Rotor)
- Floating wings
- Rear lighting kit

The Stubble Master 1210 is one of the largest rotary mulchers in the world providing a massive

12.1 metres of cutting width. Designed to appeal to large scale farmers, contractors and aviation facilities the Stubble Master 1210 boasts an abundance of design features including an innovative folding mechanism that ensures a compact transport position which sees the machine effectively fold back within itself.

Supplied standard with Spearhead's unique six-blade Starcut blade system, the machine incorporates a delta style deck, large wheels and tyres, balancing tie bars, fine height control and a smooth, easy to clean monocoque deck design.

The Stubble Master 1210 provides a fine mulch and efficient spread to ensure the best in crop stubble residue decomposition for effective incorporation back into the soil.

Model	Working Width	Weight	HP (Min.)	Rotors
