 **YEAR** UNLIMITED KM WARRANTY

 **HONDA**

Main: VTI-LX shown in Lunar Silver Metallic.

Features: VTI-LX shown in Passion Red Pearlscnt.

^ LED Daytime Running Lights^

~ 18" Alloy wheels*

STYLED TO SUIT ANY OCCASION.

Whether you're headed on a family road trip or a night on the town, it's not enough to simply get where you're going. These days you need to make an impression. And with the Honda CR-V, you're sure to leave a lasting one – wherever you go or whoever's along for the ride.

From head to taillight, the CR-V has been completely reimagined – updated to intrigue and reflect the modern and sophisticated aesthetic of our time. The sharp styling starts from the ground up with the distinctively designed 18-inch alloys.*

And if those weren't enough to catch your eye the LED headlights^ and Daytime Running Lights will. They gleam with confidence, day or night.

But you can't have style without a bit of substance, and the CR-V has always delivered. The CR-V steps it up with the power tailgate#. Not only does it open and close with the push of a button, it allows you to adjust the height of the tailgate to suit your needs or parking space. No matter how you look at it, the Honda CR-V has both the style and substance to suit any occasion.

> Power tailgate#

*Available on VTI-E7 models and above. ^LED headlights available on VTI-LX AWD only. #Available on VTI-S, VTI-L7 and VTI-LX models.

STYLE AND SOPHISTICATION, INSIDE AND OUT.

The adventure-ready CR-V sets a new standard for interior quality, comfort and sophistication.

Contemporary design meets premium finishes, with every detail carefully considered, so you'll always want to take the long way home.

The cockpit-inspired driver's seat puts all the tools and controls within reach, so you can keep your eyes squarely on the road ahead. Luxurious leather-appointed* seats with 8-way

power adjustable seat memory* for up to two drivers, makes for a comfortable ride, every time.

But comfort doesn't stop at the front seats. Little (and bigger) adventurers enjoy generous legroom, with clever space and functionality, like cupholders hidden in the centre armrest and USB ports* to keep devices charged. With rear doors that swing open 90 degrees, access to the back seats doesn't require a gymnastic feat!

The large windows accompanied by a spectacular panoramic sunroof* brings the great outdoors in.

The 7-seater option provides the flexibility every family craves. From weekends away with the kids to a trip with the grandparents too, the 7-seater opens up a world of possibilities. With so much storage potential, it's the ultimate family getaway car.

> 5-seats or 7-seats

^ Panoramic sunroof*

> Centre console storage

*Available on VTI-E7 2WD, VTI-L7 2WD, and VTI-LX AWD. Leather-appointed seat trim means some parts of the seats may contain synthetic material. **Available on VTI-L7 2WD and VTI-LX AWD models only. **VI model comes with 1 USB port. VTI and above equipped with 4.

ADVENTURE READY.

Be it near or far, big or small, the Honda CR-V has the right mix of power and efficiency to fuel all of your adventures.

While the advanced turbocharged engine[#] and enhanced handling capabilities will ignite your sense of adventure straight away, the all-wheel drive system* makes it a versatile SUV capable of getting you into, or out of, any unforeseen situations that may come your way.

On par with all that power and handling is a focus on efficiency. The Honda CR-V with Earth Dreams Technology[#] is engineered to maximise fuel economy and reduce emissions. Boasting fuel economy from 7 litres per 100km[†], it maximises your driving enjoyment while minimising your impact on the world around you. So you can focus on exploring the road ahead and not what you leave behind.

140kW VTEC Turbo engine[#]

Enhanced AWD capability*

Continuously Variable Transmission

Apple CarPlay[®] and Android Auto[®]

7" Display audio[#]

Check Your Surroundings

Reversing camera

CONNECTED AND IN CONTROL.

The Honda CR-V keeps you connected and in control from the moment you push start. Apple CarPlay[®] or Android Auto[®] allow you to seamlessly connect your phone via USB and Bluetooth[®] to the crisp 7-inch touchscreen[#], allowing you to make calls, listen to music, get turn-by-turn directions or access many of your favourite apps with a simple tap or via steering wheel-mounted controls.

The reversing camera makes backing out of tight spots a breeze. And if things happen to get too breezy, the advanced climate control system[#] will keep everyone on board comfortable. And to keep your attention focused squarely on the journey ahead, all these refined features can be accessed via contoured steering wheel-mounted controls or with simple voice commands. It's an intuitive suite of cutting-edge technology designed to help you make the most of all your everyday adventures.

Climate control

[#]Available on VTi and above. ^{*}Available on VTi-S (AWD) & VTi-LX (AWD) grades only. [†]Figures quoted are based on ADR81/02 test results for the VTi-2WD. Fuel efficiency differs for each grade, refer to the spec sheet on page 12 for details. ^{*}Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. CarPlay and Siri requires iPhone 5 model and above running iOS 7.1 or higher. [®]Android Auto and Google are trademarks of Google Inc. Android Auto and Google Voice Search requires Android 5.0 (Lollipop) or above. [‡]Requires compatible device. The Bluetooth wordmark is owned by Bluetooth SIG, Inc. and used of such work mark by Honda is under license. VTi-LX shown in Passion Red Pearllescent.

GETTING YOU HOME SAFELY.

VTi-LX shown in Modern Steel Metallic.

No matter what adventure you're on, it's our priority to get you home safely. That's why the Honda CR-V features some of the latest and most advanced safety features on the road.

Safe journeys start with keeping an eye on the road around you. LaneWatch* uses a small camera in the passenger side mirror to eliminate kerbside blind spots.

When it comes to keeping you and your passengers safe, the CR-V has you more than covered. The Driver Attention Monitor watches your driving behaviour to determine your level of attention and fatigue. If it's time to pull over for a break, the system will alert you.

ISOFIX keeps your most precious cargo safe and secure. It's a quick, safe and internationally recognised standard for attaching child safety seats.

Honda SENSING

Honda Sensing[^] can support and enhance your driving senses to help keep you safer on the road.

These intelligent technologies may improve your situational awareness, and, in some cases, intervene to help avoid a collision or lessen its severity.

FORWARD COLLISION WARNING

Alerts you when it detects the possibility of your vehicle colliding with the vehicle in front of yours.

COLLISION MITIGATION BRAKING SYSTEM (CMBS)

Can assist you when there is a possibility of your vehicle colliding with a vehicle or a pedestrian detected in front of yours. The CMBS is designed to alert you when a potential collision is determined, as well as to reduce your vehicle speed to help minimise collision severity when a collision is deemed unavoidable.

LANE DEPARTURE WARNING FUNCTION

When the vehicle enters the warning area, the LKAS alerts you with slight steering wheel vibration as well as a warning display.

ROAD DEPARTURE MITIGATION SYSTEM

Alerts and helps to assist you when the system detects a possibility of your vehicle unintentionally crossing over detected lane markings.

LANE KEEPING ASSIST SYSTEM (LKAS)

Provides steering input to help keep the vehicle in the middle of a detected lane and provides audible and visual alerts if the vehicle is detected drifting out of its lane.

ADAPTIVE CRUISE CONTROL (ACC) WITH LOW SPEED FOLLOW (LSF)

Helps maintain a constant vehicle speed and a set following interval behind a vehicle detected ahead of yours and, if the detected vehicle comes to a stop, can decelerate and stop your vehicle, without you having to keep your foot on the brake or the accelerator. When ACC with LSF slows your vehicle by applying the brakes, your vehicle's brake lights will illuminate.

*Available on VTi-S, VTi-L7 and VTi-LX models.

[^]Honda Sensing technologies are driver-assist technologies and should not be used in place of safe driving practices. Drivers should continue to monitor the road at all times. The accuracy and operation of Honda Sensing technologies may vary based on weather, speed, traffic, road conditions, markings and other factors. Civic Sedan shown for illustrative purposes. Honda Sensing is available on VTi-S AWD & VTi-LX AWD.

SELECT YOUR MODEL

Vi 5 SEATS, 2WD

The CR-V Vi 2WD comes standard with:

- 2.0L SOHC i-VTEC engine
- 113kW @ 6,500rpm and 189Nm @ 4,300rpm
- Continuously variable transmission
- Electric parking brake with automatic brake hold
- 17-inch alloy wheels
- Halogen projector beam headlights
- LED Daytime Running Lights (DRLs)
- Cloth seat trim
- Air Conditioning with rear vents
- 5" Display audio including:
 - 4 speakers
 - AM / FM radio
 - Bluetooth® phone and audio connectivity*
 - USB connectivity x1
 - AUX port x1
- Multi-angle reversing camera
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- Vehicle Stability Assist (VSA)
- SRS airbags: dual front, side and full length curtain
- Driver Attention Monitor (DAM)
- Full size alloy spare wheel
- Tyre Pressure Monitoring System (TPMS)
- Electrically retractable door mirrors

VTi 5 SEATS, 2WD

Additional features over the Vi:

- 1.5L Turbo engine
- 140kW @ 5600rpm and 240Nm @ 2000-5000rpm
- Front fog lights
- Dual zone climate control
- Smart keyless entry with push start button
- Advanced Display Audio (7-inch colour touchscreen) including:
 - 8 speakers
 - AM/FM radio
 - Bluetooth® phone and audio connectivity*
 - USB connectivity x4
 - Apple CarPlay®[^]
 - Android Auto®*
 - HDMI port
- Roof rails
- Multi-angle reversing camera with dynamic guidelines
- Tonneau cover
- Exhaust pipe finishers

VTi-E7 7 SEATS, 2WD

Additional features over the VTi:

- Leather-appointed¹ seat trim
- 18-inch alloy wheels
- 8-way adjustable electric driver seat
- Leather-wrapped steering wheel

VTi-S 5 SEATS, 2WD OR AWD

Additional features over the VTi:

- Honda Sensing suite of driver-assist technologies (AWD only)
- 18-inch alloy wheels
- Power tailgate
- Built-in satellite navigation
- Front and rear parking sensors
- LaneWatch camera
- Automatic dusk-sensing headlights
- Automatic rain-sensing front wipers (AWD only)
- Leather-wrapped steering wheel

VTi-L7 7 SEATS, 2WD

Additional features over the VTi-E7:

- Auto rain-sensing front wipers
- Panoramic sunroof
- Power tailgate with height adjust
- Built-in satellite navigation
- Auto dusk sensing headlights (halogen)
- LaneWatch
- Parking sensors (front and rear)
- Paddle shift
- i-dual zone climate control
- Heated front seats
- 2-position memory drivers seat

VTi-LX 5 SEATS, AWD

Additional features over the VTi-S:

- Panoramic sunroof
- Privacy glass
- Full LED headlights with active cornering lights
- Front LED fog lights
- Leather-appointed¹ seat trim
- Heated front seats
- Heated door mirrors
- Hydrophilic door mirrors
- 8-way adjustable electric driver seat with lumbar support and seat memory
- Auto dimming rear view mirror
- Digital radio
- Leather-wrapped shift knob
- 4-way adjustable electric front passenger seat

COLOURS

Brilliant Sporty Blue Metallic
