
EQE
THIS IS FOR ALL
THE SENSES.
*21-inch AMG 5 spoke light-alloy wheels currently available as optional equipment and only in conjunction with AIRMATIC on EQE 300 and EQE 350 4MATIC up to & including 3rd decade production June 2023. Available as standard equipment on EQE 300 AND EQE 350 4MATIC from 1st decade July 2023.

THIS IS FOR ALL THE SENSES.

From the iconic one-bow design to the innovative MBUX Hyperscreen*: the new EQE combines sensuous aesthetics with pioneering engineering artistry at the highest level. Experience a new, luxurious era of electric mobility.

*MBUX Hyperscreen optionally available as part of MBUX Hyperscreen Package (PAG).

Overseas model shown.

LUXURY FROM ANY ANGLE.

Even at first glance it is clear: the EQE embodies a new era. The main characteristic feature is the striking one-bow design – a coupé-like shoulder line that flows sweepingly from the rear to the front, emphasising hallmark EQ features such as the three-dimensional Mercedes-Benz star pattern on the front*.

*Radiator grille with Mercedes-Benz pattern avaliable on EQE 300 & EQE 350 4M. Not availiable on EQE 53 4MATIC+.

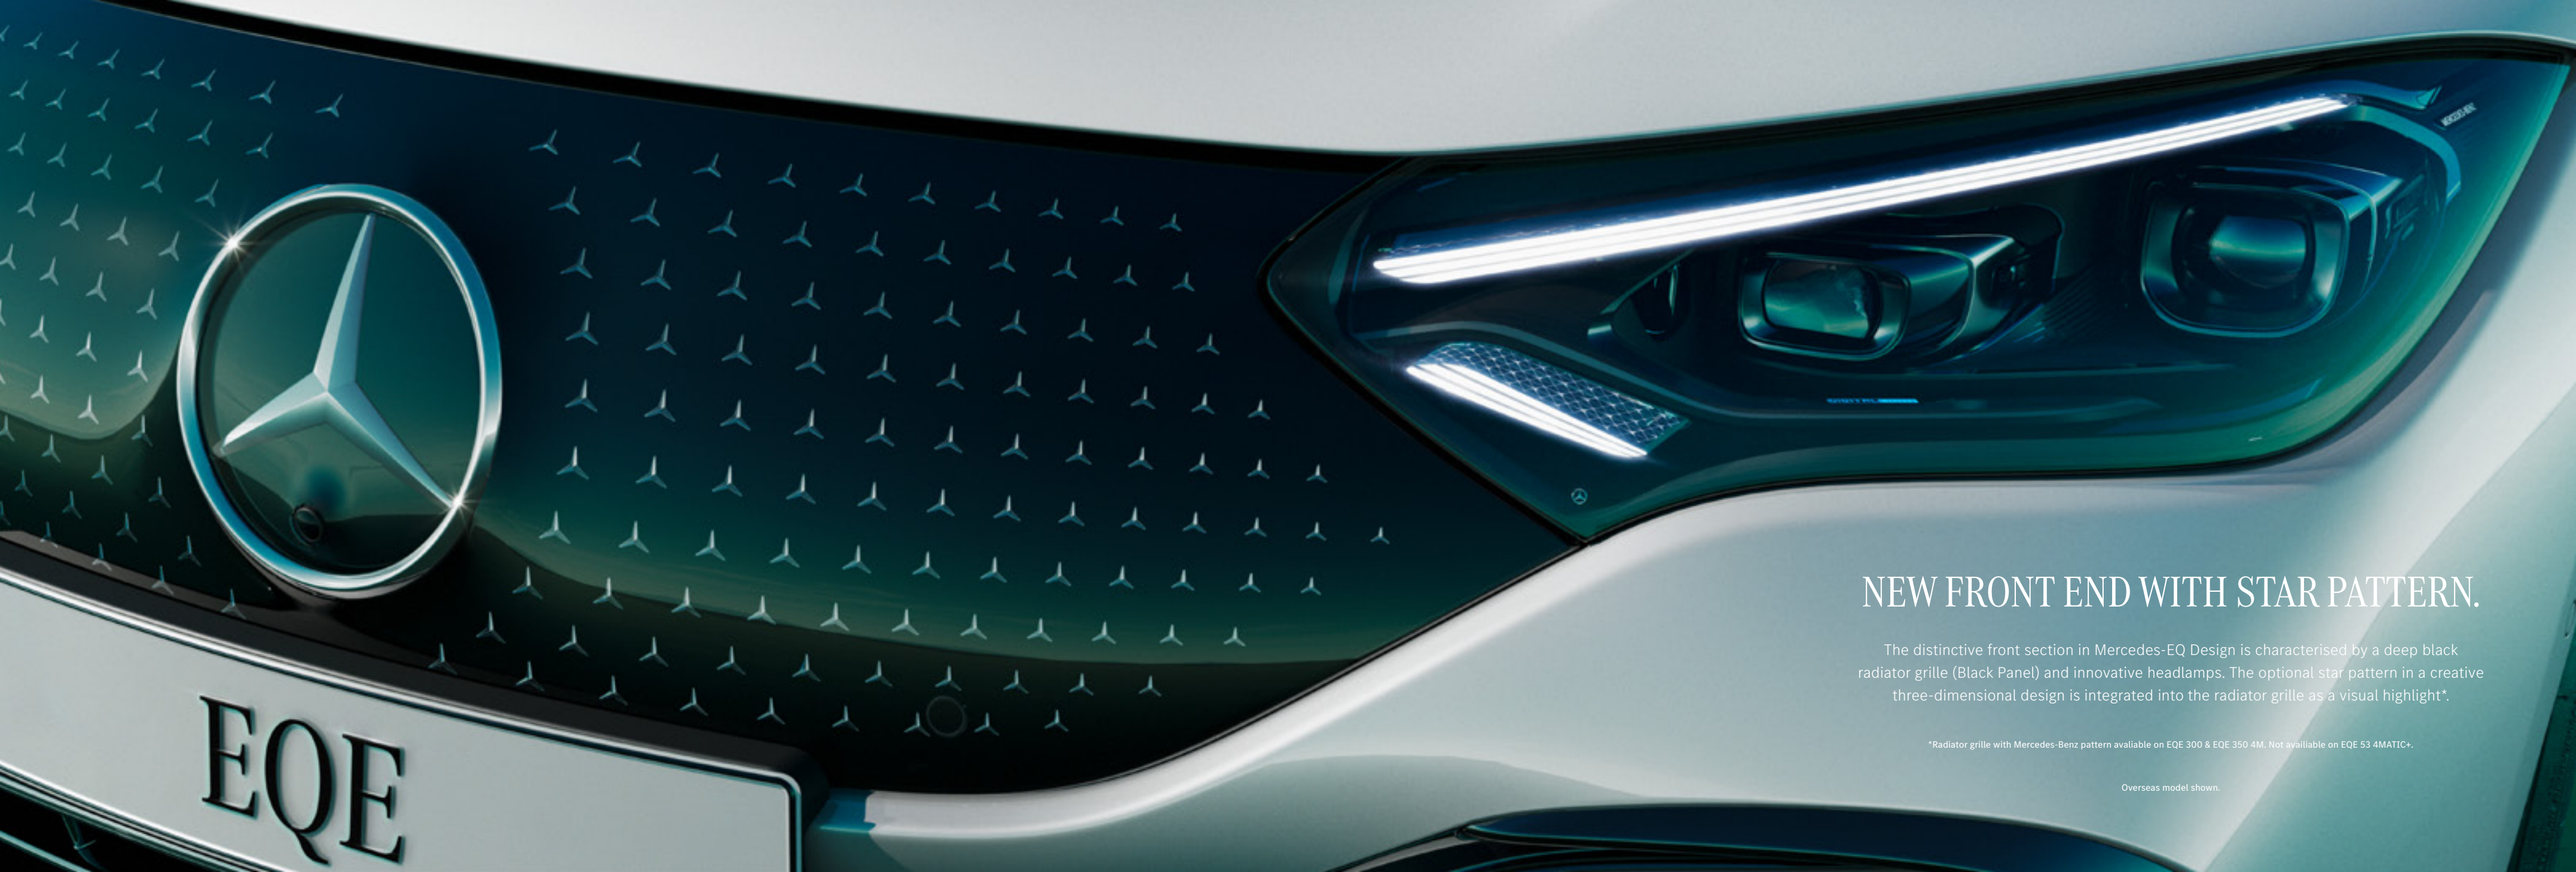

THE DIGITAL COCKPIT WITH FUTURISTIC MBUX HYPERSCREEN.

The MBUX Hyperscreen* is the highlight in the cockpit of the all-electric EQE: behind a curved panel in real glass are three OLED displays that can be intuitively operated and which deliver innovation and brilliance across the full width of the vehicle interior.

*MBUX Hyperscreen optionally available as part of MBUX Hyperscreen Package (PAG).

Overseas model shown.

NEW FRONT END WITH STAR PATTERN.

The distinctive front section in Mercedes-EQ Design is characterised by a deep black radiator grille (Black Panel) and innovative headlamps. The optional star pattern in a creative three-dimensional design is integrated into the radiator grille as a visual highlight*.

*Radiator grille with Mercedes-Benz pattern avaliable on EQE 300 & EQE 350 4M. Not availiable on EQE 53 4MATIC+.

Overseas model shown.

EXCELLENT RANGE.
FULLY ELECTRIC.

You'll be going places in the EQE Sedan: with high ranges and short charging times.

Overseas model shown.

Flush-fitting door handles.

Seamless design perfected: the flush-fitting door handles are seamlessly integrated into the vehicle body and round off the elegant appearance of your Mercedes. The handles extend automatically when you are in the immediate vicinity of the vehicle to unlock it. As soon as you lock the vehicle or drive off, the handles retract again.

Overseas model shown.

Active ambient lighting.

Experience a technological leap with the active ambient lighting. It links aesthetics with innovative driver information and extended functions. Light strips and trim elements all the way round meld to form an additional level of lighting.

Overseas model shown.

Digital light.

Intelligent foresight: the DIGITAL LIGHT headlamp technology in the EQE Sedan complements the MULTIBEAM LED headlamps with their high-resolution lighting technology. The light acts in an anticipatory manner, adapting to the course of the road and the traffic situation.

Overseas model shown.

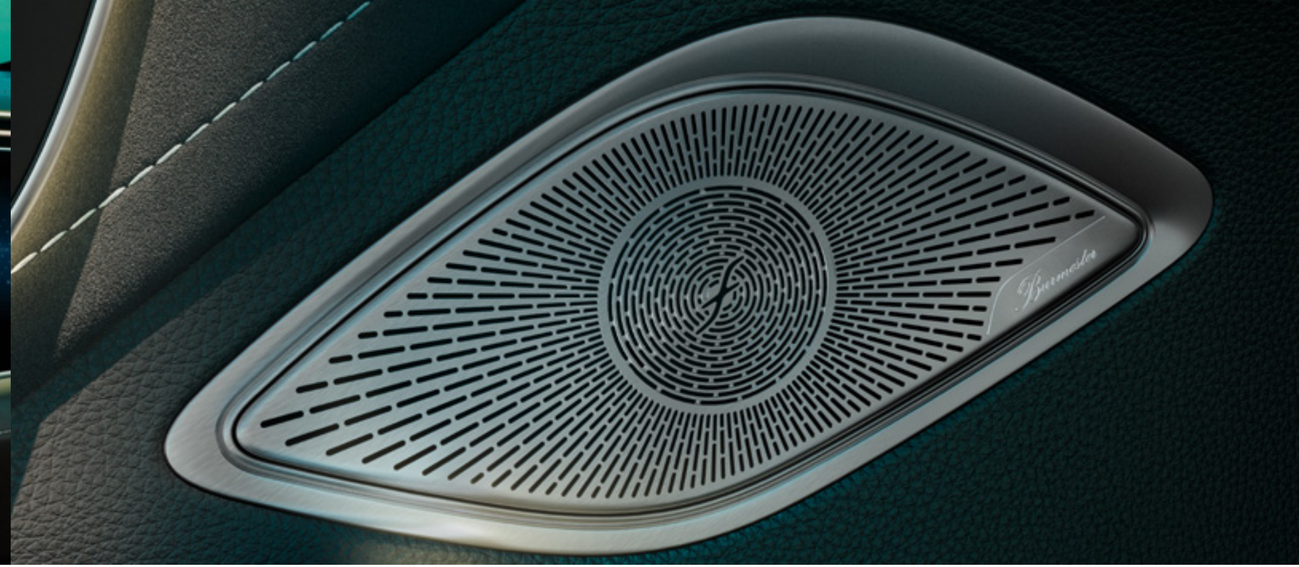

MBUX Hyperscreen*.

Enhance your interior with an impressive design feature. As if cast from a single mould, three displays blend seamlessly together behind a glass panel to create one large hyperscreen. Bright OLED displays with haptic feedback and the innovative zero-layer interface create a particularly user-friendly experience.

* MBUX Hyperscreen optionally available as part of MBUX Hyperscreen Package (PAG).

Burmester® surround sound system.

Experience greater audio performance with exquisite Burmester® sound. The high-quality speakers deliver impressive surround sound. You can specifically optimise this for the front and rear seats to intensify the listening experience. In addition, the specially designed Sound Experience reinforces your electric driving experience in the interior.

Technical data.

	Electric motors	4MATIC electric motors	
	EQE 300	**EQE 350 4MATIC**	**EQE 53 4MATIC**
Rated output (kW [hp] at rpm)	180 [245] / 15913-3086	215 [292] / 15913-2662	460 [625] / 7715-4552
Rated torque of electric motor (Nm at rpm)	550/3086	765/2662	950/4639
Acceleration from 0-100 km/h (s)	7.3	6.3	3.5
Combined CO_2 emissions	0	0	0
Combined electric consumption max.-min (kWh/100km)	186.0 – 159.0	207.0 - 173.0	227.0 - 202.0
Indicative electric range (km):	626	590	500
Battery type/net battery capacity (kWh)	89	90.5	21.8
Cd value	TBC	TBC	TBC
Boot Capacity (l)	430	430	430
Kerb weight (kg)	2380	2460	2530
Gross vehicle weight (kg)	2880	2970	3095

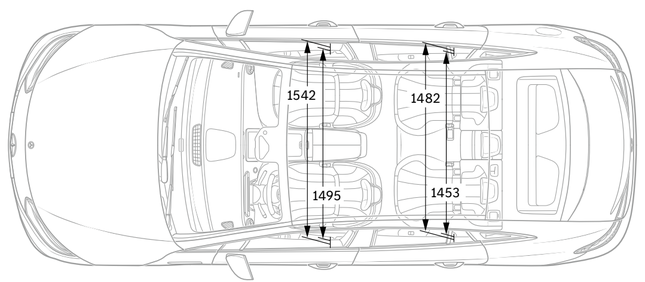

[1]Figures stated (including declared fuel consumption and emission figures) are determined by testing under track and/or standardised laboratory conditions which are (where applicable) conducted in accordance with ADR 81/02. The figures stated are for the purposes of comparison amongst vehicles tested under the same technical procedures only. Real world figures (particularly acceleration, fuel consumption and emission figures) may vary and are influenced by many additional factors such as, fuel quality, individual driving style, load, traffic, environmental and road conditions, ambient temperatures and vehicle condition.

Dimensions.

All figures in millimetres. The dimensions shown are mean values. They are valid for vehicles with standard equipment and in unladen condition.
