why WRX STI?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru WRX STI has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, the pistons move like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®¹ Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess² (up to a maximum of \$800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA®¹ and warning labels.

Finest safety

5 star ANCAP safety across the WRX STI range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru WRX STI to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru WRX STI carries the maximum 5 star ANCAP³ safety rating.

1. DataDotDNA® is a theft deterrent not a theft prevention mechanism. 2. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 3. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard across the Subaru WRX STI range.

Ultimate control in your hands

Multi-mode Driver's Control Centre Differential (DCCD)

Do drive with confidence wherever your Subaru WRX STI takes you, from your daily city commute to rain soaked highways. Take control of your drive with Multi-mode DCCD, Subaru technology which optimises traction, handling response and all round performance.

With four distinct modes, the driver controls the centre Limited Slip Differential (LSD) to match the conditions and their individual driving style. Exclusive to Subaru WRX STI, Multi-mode DCCD features Auto mode for all round driving performance. When things get slippery dial up Auto (+) mode for optimal traction in the wet, while Auto (-) lets you enjoy sharp handling in dry conditions. Or select Manual mode to put the power back in your own hands and match the control setting to your drive.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so we crafted Subaru Intelligent Drive (SI-Drive) technology available on all Subaru WRX STI variants to do just that. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and Sport Sharp (S#) mode – for a truly thrilling drive.

Clever thinking

Vision Assist

Imagine if your side mirrors could alert you when there's something in your blind spot. Or if your high beams could automatically switch to low beam, when approaching oncoming traffic at night. We made all this happen – and more – with Subaru's Vision Assist. Our suite of proactive safety technologies including Side View Monitor, Blind Spot Monitor, Rear Cross Traffic Alert, Lane Change Assist, High Beam Assist and Front View Monitor are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Subaru WRX STI Premium AWD and WRX STI spec.R AWD.

cockpit meets throne

The Subaru WRX STI cockpit is fit for rally enthusiasts with its big, bright 7" LCD touchscreen, DCCD and SI-Drive controls and gloss black highlights. Pump tunes and make handsfree calls through the Harman Kardon®¹ eight speaker stereo system with *Bluetooth*®² wireless technology. Satellite navigation and two USB connections are standard across the Subaru WRX STI range, as is a rear view reverse camera.

Subaru WRX STI AWD

make it yours

Subaru WRX STI drivers tend to be discerning, so we've got all the bells and whistles required to customise your pride and joy to your exact requirements.

- + Protection Protect your Subaru WRX STI with a range of products including a carpet mat set, cargo tray, car cover and rear bumper protector.
- + Cargo To extend your Subaru WRX STI's carrying capacity we offer a broad range of Subaru and Thule sport and cargo carrier accessories.
- + Security, Convenience and Safety Keep your new wheels secure with a security car alarm system. The compact, windscreen mounted Garmin Dash Cam records sharp video; gives the driver a range of alerts and can be synced to your smartphone.
- + STI Performance Parts Tweak the handling of your Subaru WRX STI for that extra edge. Emphasise the beast with STI Performance Parts for optimum handling and control. Or spiff it up with a stylish leather gear knob and our range of aerodynamic spoilers.

Genuine Subaru Accessories are available from your Subaru Retailer, so be sure to ask about the range when buying your new Subaru WRX STI.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you

are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Kilometre manufacturer's national warranty¹. Visit www.subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our Subaru 5 Year/125,000 Kilometre Capped Price Servicing Program², you'll now know the maximum amount you will have to pay for your next scheduled service during

the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA^{®3} Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess⁴ (up to a maximum of \$800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days, despite the presence of DataDotDNA^{®3} and warning labels.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit your unit will be covered by Subaru's Map Update Program⁵ – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

My Subaru – online owner's destination

The My Subaru owner's portal is an online destination for owners which provides access to exclusive benefits, tailored content, your vehicle's ownership history and much more.

1. Every new Subaru comes with a 5 Year/Unlimited Kilometre warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 years/150,000 kilometres (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/warranty. 2. Every brand new 2020 Subaru WRX STI comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. DataDotDNA[®] is a theft deterrent not a theft prevention mechanism. 4. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 5. Subaru's Map Update Program is available on MY20 Subaru WRX STI variants purchased from 31st July 2019 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/owner-experience/benefits/subaru-map-update-program.

live life without limits

Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance¹ when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

Subaru Certified Collision Repairer Network

With a dedicated Subaru Certified Collision Repairer² helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

Genuine Accessories

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru WRX STI accessories visit www.subaru.com.au/wrx-sti/accessories. For warranty information visit www.subaru.com.au/warranty and click on "Genuine Subaru Accessories Warranty".

Subaru Finance

Subaru Finance³ provides a range of competitive financial solutions to approved customers. Our finance specialists will help you find a finance package to meet your needs conveniently.

Subaru Insurance

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. A range of Subaru Insurance⁴ options provides a variety of choices, including: Subaru Comprehensive Motor Vehicle Insurance and Subaru Loan Protection Insurance.

Subaru Certified Used Cars

Every Subaru Certified Used Car has passed a 120-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty⁵ – to complement the balance of a new vehicle warranty or the statutory warranty that remains – from participating Subaru Certified Used Car Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer.
