● = Standard | □ = Optional equipment | — = Not available | NCO = No cost option

* Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 20 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

Packages

	Option Code	A7 45 TFSI quattro	A7 55 TFSI quattro
Premium plus package			
<ul style="list-style-type: none"> ▶ 21" alloy wheels in 5-V spoke star design, contrasting grey ▶ Panoramic glass sunroof ▶ Privacy glass – dark tinted rear and rear side windows ▶ Extended upholstery package for door armrests and centre console with contrasting stitching ▶ 4-zone climate control – separately adjustable temperature and air distribution settings for left and right-hand sides at front and rear with rear touchscreen display ▶ LED colour interior lighting package including ambient lighting with 30 selectable colours and 6 colour profiles 	WA2	□	–
<ul style="list-style-type: none"> ▶ Adaptive air suspension – electronically controlled with continuously variable adaptive damping system ▶ 21" alloy wheels in 5-V-spoke star design, contrasting grey ▶ Panoramic glass sunroof ▶ Privacy glass – dark tinted rear and rear side windows ▶ Extended upholstery package for door armrests and centre console with contrasting stitching ▶ 4-zone climate control – separately adjustable temperature and air distribution settings for left and right-hand sides at front and rear with rear touchscreen display ▶ LED colour interior lighting package including ambient lighting with 30 selectable colours and 6 colour profiles 	WA2	–	□
Dynamic steering package			
<p>Dynamic steering package</p> <ul style="list-style-type: none"> ▶ All-wheel steering: at low speeds, the steering effort reduces for the driver and the turning circle of the vehicle is reduced by approximately 1.1m. At higher speeds, the response behaviour and the driving stability are improved by a targeted adjustment of the rear wheels ▶ Dynamic steering: variable ratio steering for improved dynamic performanc 	PHZ	–	□

Standard Equipment and Options

	Option Code	A7 45 TFSI quattro	A7 55 TFSI quattro
Assistance systems			
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for improved visibility during low speed manoeuvres		●	●
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist ²		●	●
Audi parking system plus front and rear with visual display		●	–
Park assist with parking system plus assists driver by taking over steering, maneuvering, braking and gear shifting; features acoustic signals with virtual lane display		–	●
Audi pre-sense front with Autonomous Emergency Braking – provides collision mitigation from 5 km/h up to 85 km/h (pedestrians and cyclists) and up to 250 km/h (vehicles) ²		●	●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear		●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●	●
Cross traffic assist rear – supports the driver when reversing by detecting moving vehicles and informs the driver visually. Provide an acoustic warning and haptic brake jolt in critical situations ²		●	●
Exit warning system – detects vehicles and cyclists when opening doors; providing a warning light and initiating a slight delay in door opening		●	●
Intersection crossing assist – at speeds up to 30 km/h, monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h ²		●	●
Lane change warning – blind spot warning system ²		●	●
Lane departure warning – when activated assists the driver stay in the lane by gentle corrective steering intervention and steering vibration ²		●	●
Light and rain sensor – automatic control of lights-on function and windscreen wipers		●	●
Predictive efficiency assistant		●	●
High beam assist – switches automatically between low and high beam		●	–
Turn assist – monitors oncoming traffic when turning right at speeds up to 10 km/h and, if necessary, applies the brakes ²		●	●
Exterior features			
LED headlights – full LED headlights with daytime running lights, dipped beam, high beam, position light, indicator, all-weather light and automatic-dynamic headlight range control		●	–
Audi HD Matrix LED headlights with front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, static cornering light, synthetic cornering light as part of high-beam assist and automatic-dynamic headlight range control. This also features an innovative and unique lighting design that is demonstrated in the front and rear lights with a Coming home and Leaving home animation	PX6	□	●
Audi HD Matrix LED headlights with Audi laser light that supplements the LED high beam at speeds of 70 km/h, providing a light that is more intense in range and brightness, increasing visibility for the driver. This also features an innovative and unique lighting design that is demonstrated in the front and rear lights with a Coming home and Leaving home animation	PXC	–	□
Convenience key – full keyless entry and start		●	●
Electric rear tailgate with gesture control and programmable opening height		●	●
Exterior mirrors – heated, folding and auto-dimming with memory; kerb-side function on the passenger side; includes heated windscreen washer jets		●	●
S line exterior package – S line front and rear bumpers with honeycomb inserts, S line side air inlet grilles in matt titanium black, S line diffuser in matt titanium black, S line side sill trims and S line emblem on the front fenders		–	●
Audi exclusive black exterior styling package – adds black highlights around the Audi Singleframe, the trim strips on the side windows and the front and rear bumpers	4ZD	□	□
Privacy glass – dark tinted rear and rear side windows	QL5	Included in Premium plus package	Included in Premium plus package
Sunroof – panoramic, tinted glass, electrically tilting and opening with electric sun shade	3FB	□	□

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

	Option Code	A7 45 TFSI quattro	A7 55 TFSI quattro
Seating and upholstery			
Electric seats for driver and front passenger including adjustment of seat height, fore/aft position, seat angle and backrest angle; electric lumbar support and memory function for driver's seat		●	●
Sport comfort front seats		●	●
Heated front seats; adjustable in 3 stages		●	●
Individual contour front seats with seat ventilation and massage function	PS8	□	□
Upholstery package for upper dashboard and door rails with contrasting stitching		●	●
Extended upholstery package for door armrests and centre console with contrasting stitching		Included in Premium plus package	Included in Premium plus package
Valcona leather upholstery with seat centre panels, seat side bolsters, head restraints and centre armrest, front in Valcona leather; door trim inserts in Alcantara		●	—
Valcona leather upholstery with S embossing on the front-seat backrests with rhombus pattern; seat centre panels, seat side bolsters, head restraints and front centre armrest in Valcona leather and contrasting stitching; door trim inserts in Alcantara		—	●
Inlays			
Inlays in aluminium fragment		●	—
Inlays in matt brushed aluminium, dark		—	●
Inlays in fine grain ash, grey brown natural	7TL	□	□
Interior features			
3-zone climate control – separately adjustable temperature and air distribution settings for driver, front passenger and rear passengers		●	●
4-zone climate control – separately adjustable temperature and air distribution settings for left and right-hand sides at front and rear with rear touchscreen display		Included in Premium plus package	Included in Premium plus package
Auto-dimming interior mirror		●	●
Front centre armrest with adjustable fore/aft position and angle		●	●
Headlining in lunar silver cloth		●	—
Headlining in black cloth		—	●
Front door sill trims with aluminium inlays		●	—
Illuminated door sill trims with aluminium inlays front and rear, with S logo at front		—	●
LED interior lighting package including ambient lighting		●	●
LED colour interior lighting package including ambient lighting with 30 selectable colours and 6 colour profiles		Included in Premium plus package	Included in Premium plus package
Luggage compartment package – two cup holders in the rear centre armrest, luggage compartment net for attaching to the lashing points on the luggage compartment floor and two 12V sockets (one located in the rear and one in the luggage compartment)		●	●
Sports leather steering wheel with multifunction plus and paddle shift		●	●
Electric steering column adjustment with memory and automatic entry and exit functions		—	●

● = Standard | □ = Optional equipment | — = Not available | NCO = No cost option

Standard Equipment and Options

	Option Code	A7 45 TFSI quattro	A7 55 TFSI quattro
Infotainment			
Audi connect <i>plus</i> Navigation & Infotainment services³ including:			
▶ Online traffic information with hazard alert		●	●
▶ Destination entry via myAudi or Google Maps			
▶ Parking information			
▶ Weather			
▶ Fuel prices			
▶ Google services		●	●
Audi connect <i>plus</i> Security & Assistance services⁴ including:			
▶ Car finder with remote signal			
▶ Remote lock & unlock			
▶ Emergency call			
▶ Online roadside assistance			
Audi virtual cockpit plus – fully digital configurable instrument cluster with 12.3 inch high resolution colour display		●	●
Audi smartphone interface – connects to Apple CarPlay and Android Auto via USB to access approved apps via the MMI interface; includes wireless Apple CarPlay ⁵		●	●
Audi music interface – two USB interfaces in front and rear with charging and data transfer functionality ⁵		●	●
Audi phone box light – supports wireless charging via the "Qi" standard for compatible smartphones and smartphone covers ⁵		●	●
DVD player	7D5	□	□
DAB+ Digital radio ⁶		●	●
Head up display – in colour with speed, navigation and assistance information		●	●
Audi sound system – 10 loudspeakers including centre speaker and subwoofer, 6-channel amplifier with a total output of 180 watts		●	–
Bang & Olufsen 3D Sound System – sound reproduction through 16 loudspeakers, including 3D sound loudspeakers, centre speaker and subwoofer, 15-channel amplifier with a total output of 705 watts	9VS	□	●
Bang & Olufsen Advanced 3D Sound System – sound reproduction via 19 loudspeakers including 3D sound, front and rear; loudspeakers, centre speaker and subwoofer each with their own separate power amplifier and exclusive loudspeaker covers in aluminium; centre speaker and 2 automatically extending acoustic lenses on the instrument panel with a total output of 1,820 watts (only in combination with Premium plus package)	8RF	–	□
MMI navigation plus⁷ with MMI touch response, acoustic and haptic feedback including:			
▶ High-resolution 10.1-inch colour display for infotainment system		●	●
▶ High-resolution 8.6-inch colour display for climate control functions, handwriting recognition and favourites list			
▶ Voice control with natural speech recognition			
▶ 3D map display including places of interest and city models			
▶ MMI search – free-text search with intelligent destination suggestions			

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

* The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit www.audi.com.au/audi-connect-plus-terms-of-service for more information. Additional information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audi-connect-plus-privacy-policy

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi Service Request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

6 Digital radio reception coverage dependent on vehicle location.

7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is an overseas model A7 Sportback 55 TFSI quattro with optional equipment.
