

THE ŠKODA

KODIAQ RANGE

ŠKODA
SIMPLY CLEVER

KODIAQ 132TSI shown.

INTRODUCING THE EUROPEAN 7-SEATER ŠKODA KODIAQ 4x4

Built to the highest of standards, the KODIAQ combines 4x4 capabilities, impressive state-of-the-art driver assistance systems, innovative safety technology and extraordinary comfort and space, making it an ideal companion for families. As with all ŠKODA vehicles, each Simply Clever feature is there to make life easier and put the KODIAQ in a class of its own.

The KODIAQ is another example of our philosophy – to build beautiful European vehicles packed with the latest technology, safety and features, whilst remaining incredible value for money.

That's Simply Clever. That's ŠKODA.

EXTERIOR DESIGN

Comfortable in any place and in all conditions, the ŠKODA KODIAQ combines a robust body with impressive off-road capability. Its precise, sharp lines are shaped by ŠKODA's new design language for SUVs - making it distinctive, yet timeless. Whether judged on its details or as a whole, it's clear that form and function are in perfect harmony.

Overseas model shown, local specification may vary.

FULL LED HEADLAMPS WITH ADAPTIVE FRONTLIGHT SYSTEM AND FOG LAMPS

The LED headlamps offer high-performance and high-energy efficiency. The AFS (Adaptive Frontlight System) adjusts the lighting intensity to specific conditions (e.g. city, motorway or driving in the rain), while the main headlamps boast an eye-catching integrated strip of LED daytime running lights. When in poor light, the LED fog lamps can come to the rescue, helping ensure your safety.

LED REAR LIGHTS

The rear lights and indicators have LED technology as standard, featuring ŠKODA's distinctive C-shape style, making the KODIAQ stand out in any environment.

SIDE VIEW

Get ready for lots of sideways looks. The sharp edges combined with smooth surfaces create unique conditions for the effective interplay of light and shadow. The square wheel arches and the protective sill makes this car equally at home on dirt roads or parked at the café strip.

OPTIONAL PANORAMIC ROOF

Welcome to blue sky thinking. The KODIAQ really evokes a feeling of freedom with its electrically-adjustable panoramic sunroof.

REAR VIEW

Looks good from any angle, even from behind. The silver roof rails enhance the already captivating exterior, while the vertical black extensions - which merge with the roof spoiler and border the rear window - improve aerodynamics. The LED rear lights penetrate deep into the fenders, perfectly illuminating the car from the side.

Overseas model shown,
local specification may vary.

FIRST-CLASS TRAVEL

Packed with technology to make your everyday journeys more enjoyable and easy. The only thing not packed into the KODIAQ's stylish interior are your passengers, up to seven.

SMARTLINK ^^ WITH APPLE CARPLAY® AND ANDROID AUTO™

Your car and smartphone are now in perfect sync. The SmartLink system delivers a seamless connection between your car and selected apps from your smartphone using, Apple CarPlay® and Android Auto™ interfaces. Whether you want to select and listen to music on your smartphone or receive turn-by-turn directions, selected apps are mirrored and can be controlled via the KODIAQ's infotainment unit.

COLUMBUS NAVIGATION

The Columbus 3D navigation system features intuitive touch control on a 9.2" Glass display, providing the driver access to the vehicle set-up, comfort options, Bluetooth®, SmartLink^^ and much more.

CANTON SOUND SYSTEM (OPTIONAL)

With ten speakers – including one in the dashboard – and a subwoofer in the luggage compartment, the premium German Canton Sound System makes the KODIAQ's audio experience as impressive as its drive.

^^SmartLink is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).

THERE'S ALWAYS HELP AT HAND

We've done everything to ensure that you arrive at your destination safely. The KODIAQ comes with plenty of assistants that help you react to various situations promptly. The systems are designed to prevent or reduce the severity of an impending collision.

SURROUND AREA-VIEW^o

With cameras located in the grille, external side-view mirrors and on the handle of the tailgate - with all pictures transmitted to the infotainment display - Surround Area-View (available with optional Luxury Pack) helps the driver see everything outside the KODIAQ, enabling you to react quickly to whatever comes your way.

FRONT ASSIST INCLUDING AUTONOMOUS BRAKING^o

The Front Assist safety system, which is standard across the KODIAQ range, uses a radar device in the front grille, monitoring the area in front of the car at speeds above 30km/h. Using predefined algorithms, it decides whether these objects pose a potential risk of collision and alerts the driver if the distance to object is insufficient – initially with a tone and an alert on the multi-functional display; followed by a warning jolt of the brakes. If the driver doesn't respond, the car will brake itself – all the way to a standstill if needed, helping to avoid a collision or reduce the severity of the accident. It can be turned off by the driver via the touchscreen. For vehicle speeds below 30km/h, City Emergency Brake is designed to help a driver avoid a low-speed crash or to reduce its severity.

ADAPTIVE CRUISE CONTROL (ACC)^o

ACC, which is standard on the KODIAQ, uses a radar device in the front grille. In addition to its basic cruise control function, this assistant system maintains a safe distance from vehicles in front of you. When ACC is activated, the vehicle automatically brakes and accelerates to a speed and distance set by the driver.

^oSafety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

TRAFFIC JAM ASSIST^o

Stay relaxed, even when in a jam. By controlling the engine, brakes and steering, Traffic Jam Assist (available with optional Luxury Pack) makes the vehicle firstly pull away, then brake and turn - copying the movements of the vehicles ahead.

BLIND SPOT DETECTION^o

Blind Spot Detection (available with optional Luxury Pack) monitors the blind areas behind and beside the car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver.

REAR TRAFFIC ALERT^o

All clear in the rear. Rear Traffic Alert, available with the optional Luxury Pack, helps you reverse safely from a parking space during poor visibility. It can even hit the brakes if it detects imminent danger.

PARK ASSIST^o

Minimise the hassle of parking in tight spots with Park Assist, available with the optional Tech Pack. With a press of the button, the system will begin searching for a parking place in a row of parallel or perpendicularly parked vehicles. When parallel parking it only needs a space 60 cm longer than the car itself. The car will steer itself into the space while the driver controls the pedals.

FATIGUE DETECTION^o

This clever assistant system evaluates data from the power steering sensors to detect any driver fatigue behaviour. In such cases, the High-Resolution Display warns the driver to take a break.

LANE ASSIST^o

Lane assist, available with the optional Luxury Pack, always keeps you on the right track. Using a camera positioned within the rear-view mirror unit, it actively recognises lane markings and takes corrective action by steering you back on course.

^oSafety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

ALWAYS FEEL SAFE

There's safety in numbers. In extreme situations, when the driver cannot actively influence the outcome, the car's passive safety elements take over. And with nine airbags as standard, it's no surprise the KODIAQ was awarded a 5 star ANCAP safety rating[±].

FRONT DRIVER AND PASSENGER AIRBAGS

We're upfront about safety. While the driver's airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard.

KNEE AIRBAG

This airbag, which is located under the steering wheel column, protects the driver's knees and shins.

Overseas model shown,
local specification may vary.

HEAD AIRBAGS

Upon activation, head airbags create a wall protecting the front and rear occupants against head injury.

Overseas model shown, local specification may vary.

ELECTRIC CHILD SAFETY LOCK

Just one push of a button and your child's safety is assured. The electronically activated child safety locks will prevent them from opening the rear windows and doors and is controlled from the driver position.

FRONT AND REAR SIDE AIRBAGS

We've got you covered. These four airbags protect the pelvis and chest of the driver and other passengers in the event of a side collision.

PERFORMANCE

Every family will have a different use for the KODIAQ, from off-road expeditions to taking the troupe to ballet practice. No matter how you use it, every KODIAQ offers a dynamic drive combined with excellent fuel economy.

ADAPTIVE CHASSIS CONTROL WITH DRIVING MODE SELECTION

The adaptive chassis control, available with the optional Tech Pack, continuously evaluates and responds to various driving situations – braking, acceleration, turning – and adapts to the decreases in speed and steering characteristics. Using the infotainment menu, you can select one of six modes – Normal, Comfort, Eco, Sport, Individual or Snow – tailored to your specific requirements. Adaptive dampers are fitted to the suspension and can be adjusted to your preference via the different modes.

PETROL ENGINE

It's not often that you see 'turbocharged' and 'efficient' in the same engine summary. Our lighter, more fuel-efficient engines include Volkswagen Group's impressive 2.0 litre, 132kW turbocharged petrol engine that offers fantastic torque yet remains fuel efficient at 7.6L/100km[#].

OFF-ROAD MODE

A mode for all conditions. With the intelligent Off-Road-Mode system (available with the optional Tech Pack), which operates at speeds of up to 30 km/h, you can handle difficult terrains. It is designed to adjust the characteristics of the engine, electronic assistants and stability control systems. These activated functions are shown on the infotainment display.

DSG AND 4X4

The KODIAQ is equipped with a 7-speed Auto DSG (Direct Shift Gearbox) and four-wheel-drive.

[#] Fuel consumption figures according to Australia Design Rule (ADR) 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, and accessories fitted, will in practice in the real world lead to figures, which generally differ, from those advertised. Advertised figures are meant for comparison amongst vehicles only.

ADAPTS TO ANY ENVIRONMENT

The KODIAQ with 4x4 has an adventurous spirit. It relishes everything you throw at it, whether that's a corrugated country road or a track leading to an isolated beach.

ALL-WHEEL DRIVE

More x More. The 4x4 drive is provided by an inter-axle electronically-controlled multi-plate clutch. The coupling of the rear axle is automatic, so that the car is constantly monitoring the traction on the road, within less than a second it will engage 4x4 if necessary.

KODIAQ 132TSI shown.

**DOOR EDGE PROTECTION**

Love thy neighbour. When opening all side doors, plastic strips magically appear and cover the edges. It helps the KODIAQ protect itself against damage as well as being considerate to other cars. That's why it's perfect in tight parking spaces.

Overseas model shown, local specification may vary.

KODIAQ MAKES LIFE EASY

The KODIAQ was built with your real-life needs in mind. That's why it comes with a multitude of Simply Clever features that are simply ingenious as they are intuitive.

UMBRELLA IN FRONT DOOR

You'll be singing in the rain. A clever compartment with an original ŠKODA umbrella is fitted inside the front door. It is designed to let water drain away from the car, keeping the interior dry.

TICKET HOLDER

Keep parking inspectors on your side. When you need to display a parking ticket in a visible place, the KODIAQ is equipped with a parking ticket holder under the windscreen.

BOTTLE AND MOBILE PHONE HOLDERS

We haven't forgotten about the comfort of passengers in the third row of seats. They will appreciate the holders in the luggage compartment side cover.

SUNGLASSES COMPARTMENT

Look good while staying safe. Located above the interior rear-view mirror, you'll never have to take your eyes off the road when you need your sunglasses. (Not available with optional panoramic sunroof).

SPACE TO SHARE

How big is your family? With seven seats as standard, the KODIAQ can transport up to seven people with ease and in maximum comfort.

The elegant, functional interior inspires confidence and evokes a peaceful ambience. Digital Voice Enhancement can transmit the driver's and front passenger's voice to the rear part of the car without having to take your eyes off the road. All the better for safely chatting with family and friends on that trip away.

Overseas model shown,
local specification may vary.

LUGGAGE, WITHOUT THE BAGGAGE

Load it up. A quick look behind the tailgate of the KODIAQ will impress you, because it offers unrivalled boot capacity and exceptional variability. In addition, we offer a range of Simply Clever details and solutions which you can choose according to your specific needs.

VIRTUAL PEDAL

Your kids will ask for more magic tricks. Do you struggle to open or close the luggage compartment when your hands are full? Just swipe your foot underneath and, hey presto, it will open for you automatically. The Virtual Pedal (available with the optional Tech Pack) enables contact-free access.

ELECTRICALLY-CONTROLLED TAILGATE

Open, Sesame! It opens with a simple touch of a button on either the remote control or in the driver's door and closes via a button on the rear tailgate – this is especially handy during unfavourable weather. You can also adjust the upper door position to suit your needs.

Overseas model shown,
local specification may vary.

STORAGE SPACE

When using the third row of seats, you have to remove the luggage space cover. The double floor provides a special storage space for it, so you don't have to keep it in the garage or at home.

ROOM FOR EVERYONE AND EVERYTHING

CAPACITY

If you don't have your tribe in-tow, you can create all the luggage space you need in the KODIAQ. Lay the third row of seats flat, and you get 630 litres. Lay flat the second row as well, and you get a massive 2005 litres.

Overseas model shown,
local specification may vary.

HOOKS

You'll be hooked as soon as you use them. Whether it's a shopping trip or a trip away, these handy hooks are great for hanging bags from and creating more space.

Overseas model shown,
local specification may vary.

NET PROGRAMME

The net programme adds to the KODIAQ's versatility. In the luggage space you will find anchor points for the net programme to help you keep everything tidy in the car and prevent luggage from shifting.

Overseas model shown,
local specification may vary.

CARGO ELEMENTS

To avoid any undesired movement of luggage while driving, these two plastic cargo elements with a Velcro fastener are ideal. They can be stowed away in the compartments behind the rear wheel arches when not in use.

COMFORTABLE ANYWHERE

No trip is ever 'ordinary' in the KODIAQ. Cocoon yourself in luxury no matter where you're going – whether that's a quick trip to the shops or on a grand adventure.

ROLLER BLINDS FOR THE REAR SIDE WINDOWS

The Australian sun can be harsh. Mechanical roller blinds let passengers control how much sun they want.

SLEEP PACKAGE

Second row passengers will sleep peacefully through a long journey thanks to the Sleep Package. It includes variable headrests of the outer seats for a comfortably supported head posture, plus a blanket. Available with optional Tech Pack.

Overseas model shown

WITH 3-ZONE CLIMATRONIC, EVERYONE'S COMFORTABLE

Everyone's in their comfort zone in the KODIAQ. Equipped with three zone air conditioning and humidity control, the system allows the driver, front passenger and second row to set different temperatures for optimal comfort, while the humidity sensor directs air flow as required, keeping the windscreen fog-free. Available with optional Luxury Pack.

STEERING WHEEL

You'll never want to take your hands off the wheel again. The 3-spoke flat-bottom multifunctional leather steering wheel allows you to control the radio, phone and driver assist systems.

KEYLESS ENTRY, START AND EXIT SYSTEM (KESSY)

We have the keys to your start. Standard in the KODIAQ is KESSY. It allows the driver to lock and unlock the car, and start and stop the engine, without having to insert or even handle the key.

AMBIENT LIGHTING

It's up to you to choose one favourite colour or to complement each day with a different tone. There are ten colour options to choose from. The LED ambient lighting is located above the glossy black door decors.

Overseas model shown,
local specification may vary.

TABLET HOLDER

Nobody is just a passenger. Driving the KODIAQ is the fun part, but those in the back can enjoy the journey just as much. The tablet holders enables you to securely fit a tablet, or even a mobile phone to the front seat headrest.

ENVIRONMENTAL LIGHTS

The Environmental Lights with LEDs are designed to illuminate the entry area. They're located on the external side mirrors. Available with optional Luxury Pack.

WHEELS

Standard Alloy wheels 19" TRIGLAV

19" TRIGLAV glanz black (optional wheel)

19" CRATER glanz black (optional wheel)

INTRODUCING KODIAQ SPORTLINE

Now you can have all the creature comforts of the ŠKODA KODIAQ 4x4, with added sporty design elements.

Just like the KODIAQ 4x4, the KODIAQ SPORTLINE comes with plenty of Simply Clever solutions, generous space and modern connectivity features ensure that you travel in total comfort..

That's Simply Clever. That's ŠKODA.

SIDE VIEW

The black strips around the side windows as well as roof railings are a perfect match for the black features on the front. The sports styling of this car is further defined with 20" alloy wheels, which come as standard.

FRONT VIEW

Sleek black features, such as external side-view mirror covers, front grille frame and spoiler on the front bumper.

REAR VIEW

The narrow silver coloured trim in the lower part of the rear bumper as well as the chrome exhaust pipes add a premium touch. The rear lights are LEDs in the signature ŠKODA C-Shape.

INTERIOR DESIGN

The interior of the KODIAQ SPORTLINE is designed to impress and thrill, all while providing absolute comfort and top-class technology.

STEERING WHEEL

The sports leather steering wheel lets you control the radio, phone and alternatively DSG.

STYLISH FUNCTIONALITY

Black Suedia® and leather sport seats[°] with silver stitching give the interior a race-like feel. Electrically adjustable driver's seat comes standard with a built in memory.

[°]Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

The technical drawings apply to car with 20" wheels.

WELCOME TO CARE-FREE OWNERSHIP

ŠKODA Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a ŠKODA as fantastic as buying one.

5 YEAR WARRANTY[^] UNLIMITED KMS

After getting behind the wheel of a ŠKODA, it's not hard to see why they're so beloved by their owners. Quite simply, ŠKODA vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. ŠKODA Australia provides a 5 Year/Unlimited Kilometre Warranty[^] on all new vehicles. Every new ŠKODA vehicle includes one year ŠKODA Assist[±] (Roadside Assistance), from the warranty start date. The roadside assistance will subsequently be renewed on an annual basis for the second, third, fourth and fifth years, if the vehicle is returned to an authorised ŠKODA dealer for scheduled maintenance (as per the ŠKODA service program) up to a maximum of five years.

[^]Conditions and exclusions apply, see www.skoda.com.au/owners/warranty. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them. [±]ŠKODA Assist (roadside assistance) is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see www.skoda.com.au/owners/roadside-assistance. *ŠKODA Service Pricing applies to the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). On or before 31 December each year, ŠKODA will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on pricing, items not included in the Service Price and for full terms and conditions please see www.skoda.com.au/skoda-care/service-pricing. †ŠKODA Service Pack are available at ŠKODA Dealers for all models and covers standard items as contained in each scheduled service interval only. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here: www.skoda.com.au/skoda-care.

ŠKODA Service Pricing

Buying a car is one thing, but owing a car is something else entirely. We're sure you'll want to know the costs of any service before you book it in. The cogs in our heads have been turning and we've come up with a solution we think is pretty clever. Our handy online service calculator can help you find the cost of your next service, scheduled to occur every 12 months/15,000 kms (whichever occurs first)*.

Genuine Parts

You don't have to be a genius (AKA a ŠKODA technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty on all genuine parts, peace of mind comes easily too. Exclusions apply, please visit skoda.com.au.

Service Packs

Why worry about handling the payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 3 Year/45 000km or a 5 year/75 000km ŠKODA Service Pack[†] at any of our ŠKODA dealers. That way you can simply book a service time that suits you, and the costs are already covered. Your car, serviced at your convenience.

REMOVE ANY DOUBT WITH ŠKODA CHOICE.

ŠKODA Choice[±] is a flexible finance program that allows you to guarantee your vehicle's minimum future value[±] at the time of purchase, giving you peace of mind knowing the value of your ŠKODA is secured.

- ✓ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✓ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✓ At the end of your ŠKODA Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✓ Opportunity to upgrade your ŠKODA more often, enjoying the latest model with the best innovations and technology.

HOW IT WORKS

Step 1

Choose your favourite ŠKODA model.

Step 2

Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

Step 3

At the end of your chosen term, select from one of the three end of term options:

Trade in

If you wish to trade-in your ŠKODA for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value[±], you can use this equity towards your new vehicle.

Retain

If you prefer to retain your ŠKODA, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract[±]. Then your ŠKODA is yours to keep. Or you can choose to refinance your balloon at the end of the term.

Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements[±], you will have no more to pay.

For more information on our Guaranteed Future Value program, visit <https://www.skoda.com.au/finance/skoda-choice>

[±]ŠKODA Choice consists of an option to return your vehicle to ŠKODA Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires SFS to purchase the vehicle at an agreed price determined by SFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator ŠKODA vehicles for selected models. Contact your nearest ŠKODA dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.

THE NEW ŠKODA KODIAQ RS

ŠKODA
SIMPLY CLEVER

GO EVERYWHERE, QUICKLY

The new ŠKODA KODIAQ RS goes where no ŠKODA has gone before. To complement the most powerful TDI engine we've ever built, we added a 4x4 drive system with 20" alloy wheels for sporty handling, whether you're on the road or nowhere near it. Glide in comfort thanks to a lightning fast 7-speed DSG, and an equally racy, leather-Alcantara[®], sports interior. No matter where you're headed, the new KODIAQ RS will get you there. Quick.

That's Simply Clever. That's ŠKODA.

A BEAST ON ITS BEST BEHAVIOUR

The Kodiaq RS loves to roar, but as a family SUV, it knows when to use its indoor voice. Our sporty new design says plenty without making a fuss. The LED tail lights and trapezoidal chrome-plated bumper details make for a wonderful view for those behind. While our bespoke retroreflector strip and new grille-mounted RS logo let us command the road, without hogging the lanes.

TAKE A FAMILY VACATION TO THE WILD SIDE

The Kodiaq RS loves the bustle of city roads. But, every now and then, it's nice to dip your tyres and toes into a cool running stream. The new Kodiaq RS effortlessly combines sporty accessories with the luxurious interior of an SUV. So cut an hour off Friday's end, pack the kids in the back, and let's see how wild you can get before you have to be back for dinner.

BUILT LIKE IT'S GOT SOMETHING TO PROVE. DRIVES LIKE IT DOESN'T

The Kodiaq RS is driven by the most powerful engine in the ŠKODA range: a turbocharged 2.0 TSI with 176kW of power and 500Nm of torque. What do all those numbers mean? You'll know when you feel that instant accelerator response, and the extra boost in the mid-speed range. You'd never expect an SUV to be that sporty, but that's what makes the Kodiaq RS the best of the beasts.

UPHOLSTERY/WHEELS/COLOURS

Alcantara®/Carbon leather°/leather covers with contrasting red stitching and embossed RS logo emphasises the sporty interior.

The stylish look of the car is underlined by the 20" XTREME anthracite alloy wheels, which come as standard.

MOON WHITE METALLIC

BRILLIANT SILVER METALLIC

PREMIUM VELVET RED METALLIC

RACE BLUE METALLIC

STEEL GREY

QUARTZ GREY METALLIC

MAGIC BLACK PEARL

Please note that metallic and pearl effect paint are optional at extra cost. The print process does not allow for exact reproduction of the exterior or the upholstery colours. Please contact your ŠKODA Dealer for further information on colours and upholstery combinations.
°Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

TECHNICAL SPECIFICATIONS

2.0 BiTDI / 176 kW 4x4

ENGINE

Cylinders/Cubic capacity (cc)	4 Cylinder, Bi-Turbo Diesel TDIT
Max. performance/Revs (kW/rpm)	4/1,968
Max. torque/Revs (Nm/rpm)	176/4,000
Air pollution regulation/Fuel	500/1,750–2,500
Fuel	EU6DG/Diesel

PERFORMANCE

Maximum speed (km/h)	221 (220)
Acceleration 0–100 km/h (s)	6.9 (7.0)
Fuel consumption (l/100 km)**	
– urban	7.2
– extra-urban	5.7
– combined	6.2
CO ₂ emissions (g/km) – combined	163 (164)
Turning circle diameter (m)	12.2

POWER TRANSMISSION

Type	4x4
Clutch	Twin coaxial clutch, electro-hydraulically operated
Transmission	7-speed DSG

WEIGHT

Tare mass	1,858
Gross vehicle mass	2,551
Max. roof load	75
Max. trailer load w/o brakes	750
Max. trailer load with brakes	2,000
Max. downball weight	100kg
Tank capacity (l)	60

The engine uses Selective Catalytic Reduction. This system injects AdBlue® to reduce mono-nitrogen oxides (NO_x). The volume of the AdBlue® tank is 18 l and consumption depends on the driving style.
 **Fuel consumption figures according to Australia Design Rule (ADR) 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, and accessories fitted, will in practice in the real world lead to figures, which generally differ, from those advertised. Advertised figures are meant for comparison amongst vehicles only.
