

# Everest

2024.5MY

Ford

# Are you ready to Everest?

More room, comfort and capability. Ford Everest is an SUV without compromise. Tough on the outside, a sanctuary on the inside, and ready for everything ahead of you and your family. You demanded it, we built it.

### 3.0L V6 Turbo Diesel power

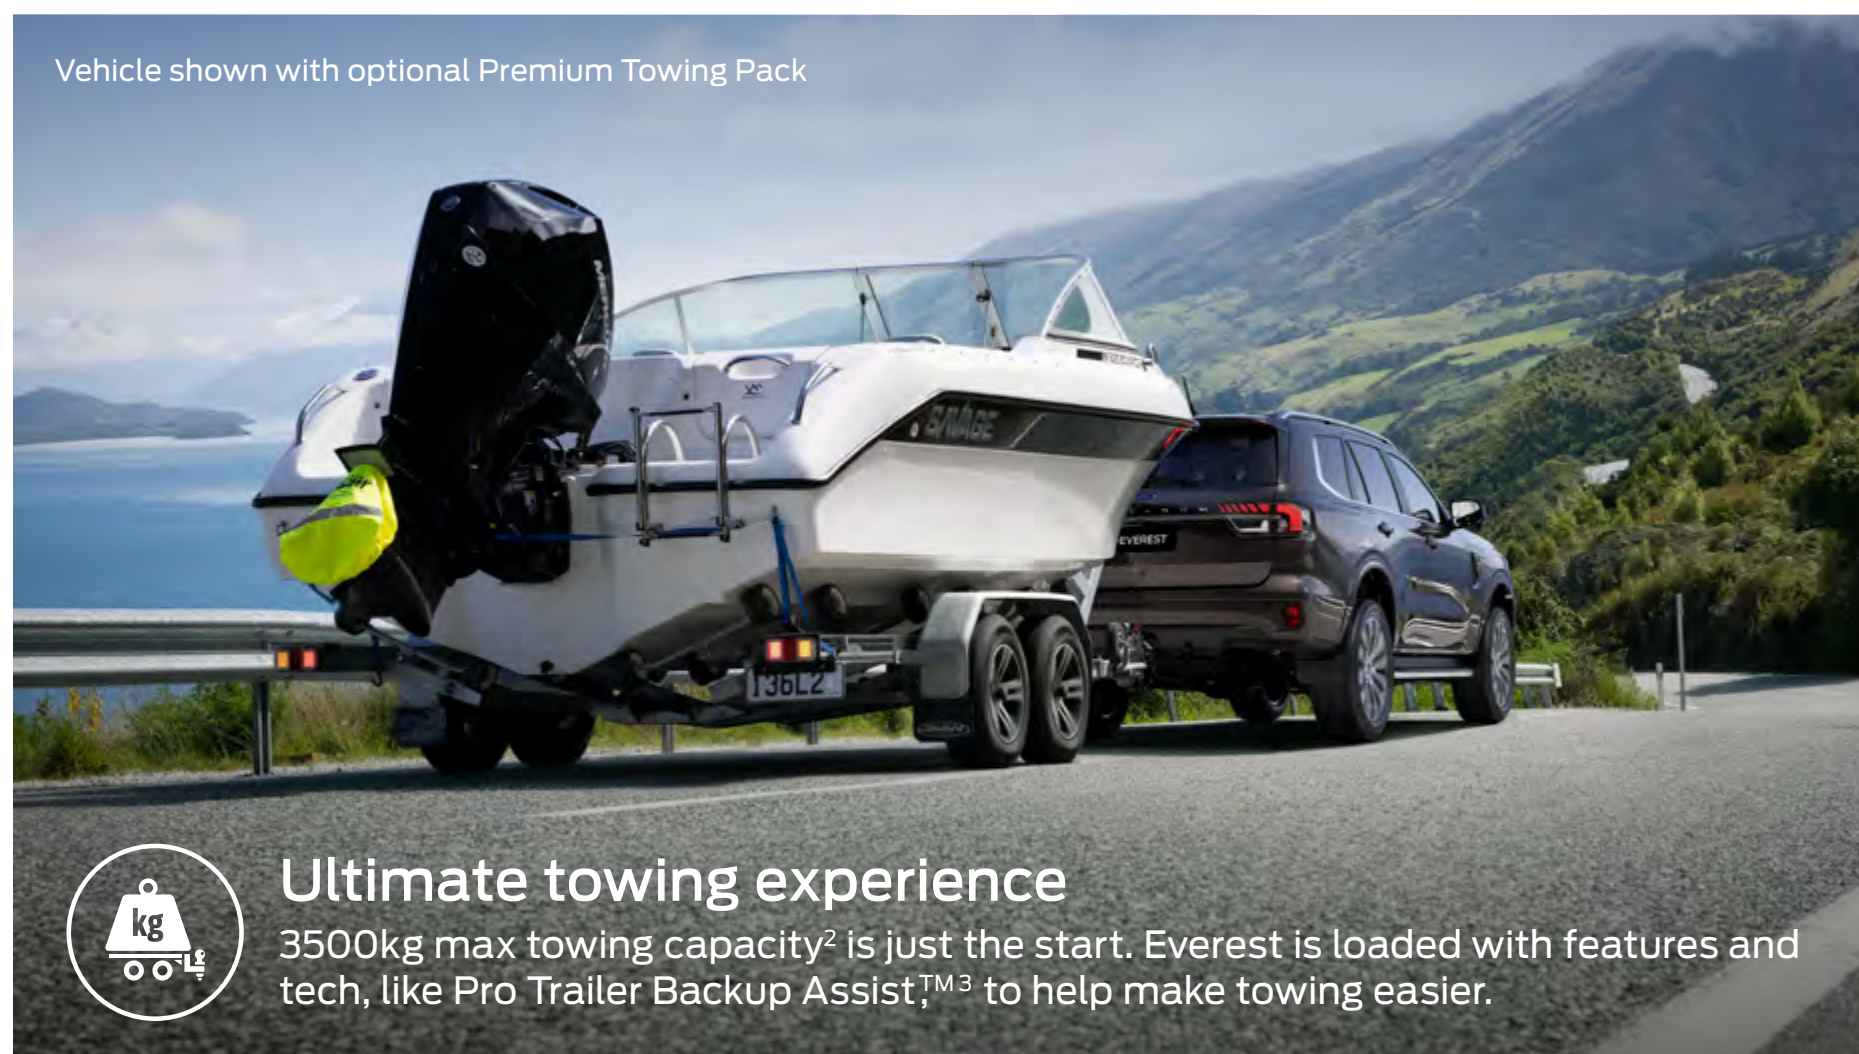

A powerful 3.0L V6 Turbo Diesel engine<sup>1</sup> headlines an exciting range of Diesel engines. On Sport 4WD and Platinum models, the 3.0L V6 delivers 184kW of power and 600Nm of torque.

# Everest power & capability

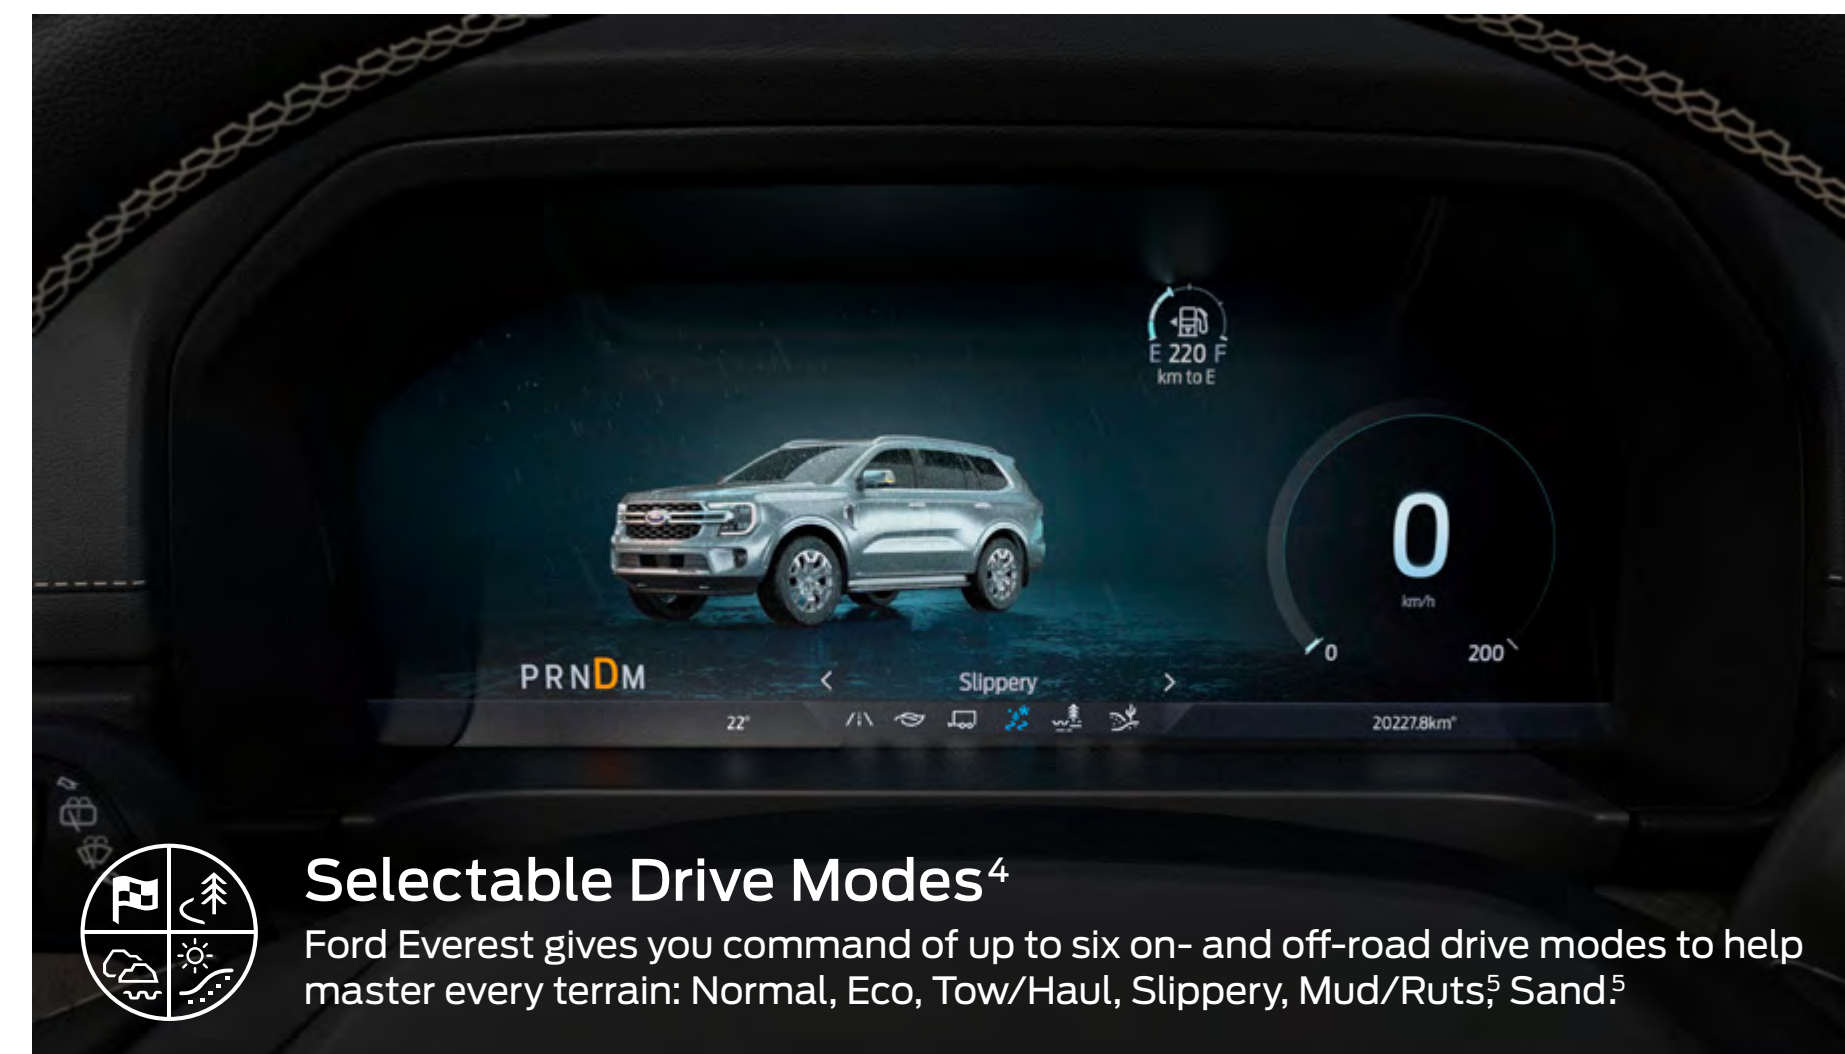

Ford Everest features a choice of premium engines that deliver power and torque for towing, hauling and off-roading and come standard with Ford's efficient 10-speed automatic transmission.

Vehicle shown with optional Premium Towing Pack

### Ultimate towing experience

3500kg max towing capacity<sup>2</sup> is just the start. Everest is loaded with features and tech, like Pro Trailer Backup Assist,<sup>TM,3</sup> to help make towing easier.

### Selectable Drive Modes<sup>4</sup>

Ford Everest gives you command of up to six on- and off-road drive modes to help master every terrain: Normal, Eco, Tow/Haul, Slippery, Mud/Ruts,<sup>5</sup> Sand.<sup>5</sup>

# Driver Assistance<sup>4</sup>

## Active Park Assist 2.0<sup>6</sup>

Available on Platinum only, Active Park Assist 2.0 helps reduce the stress of parking by taking over the steering, shifting, braking and acceleration to navigate parallel or perpendicular parking spaces with ease. The system also includes Park Out Assist, which provides assistance when exiting a parallel parking spot.

## Blind Spot Monitoring with Cross Traffic Alert and Trailer Coverage<sup>7</sup>

Helps you change lanes, alerts you when a vehicle enters the blind spot zone and will even resist the lane change if the driver misses the warning. Cross-Traffic Alert warns of traffic approaching from the sides when the vehicle is in reverse.

## Evasive Steer Assist

If Pre-collision Assist determines the distance is too short to brake in time to avoid a collision, your Everest will provide steering support (without steering for you) to help you avoid the obstacle.

## Lane Keeping Aid with Road Edge Detection<sup>8</sup>

Designed with road trips in mind, Everest can provide gentle steering support to help prevent the vehicle from drifting off the road.

# Enough space for the biggest life

Ford Everest is exceptionally spacious, with more room and enough storage for every passenger.

Platinum Interior Shown

## Ford Everest Third Row Seating<sup>9</sup>

Standard on Trend, Sport and Platinum models, Everest's third row is big enough for the whole family, boasting exceptional leg room, comfortable seating, and easy access. Overhead vents keep the air circulating and the rear passengers cool and comfortable. The cabin is incredibly refined, so conversation can flow easily. Of course, side curtain airbags are standard.

## Space for family comfort

Everyone should be comfortable, no matter where they are sitting. Ford Everest is exceptionally spacious, offering expansive interior space and generous storage areas throughout. On the Platinum model, the Panoramic Roof adds to the sense of openness and adventure

## 5 Star Safety Rating

Everest includes a network of safety features working together to protect you. Drive with confidence knowing that the Ford Everest has achieved the maximum ANCAP safety rating of 5-stars.

### Wireless Connection<sup>10</sup>

Connect to Apple CarPlay<sup>TM10</sup> and Android Auto<sup>TM10</sup> without a cable in sight. This cordless connection makes life easy and uncluttered.

Platinum Interior Shown

# Effortless interactivity

The Ford Everest lets you experience a whole new world of connectivity, with wireless charging<sup>11</sup> wireless connection<sup>10</sup> and the SYNC<sup>®</sup> 4A<sup>12</sup> infotainment system.

### SYNC<sup>®</sup> 4A<sup>12</sup>

An interactive in-vehicle communication and entertainment system with a host of features, made easier by the system showing your last 5 actions, wireless smartphone integration, and a 10.1-inch or 12-inch touchscreen.<sup>13</sup>

### Wireless Charging Pad<sup>11</sup>

Avoid the hassle of having to plug in your phone. Simply place it on the Everest's wireless charging pad and you're good to go.

Wireless Charging Pad<sup>11</sup>

## Freedom to connect<sup>14</sup>

Every Everest comes fitted with an embedded modem known as FordPass<sup>14</sup> Connect.

Once activated, using the FordPass App on your smartphone you can locate your vehicle, lock and unlock the doors, and even start the engine remotely.

Remote Start to heat or cool the cabin to last known setting.

Receive Health Alerts or check Vehicle Status.

Check your fuel level remotely.

For more information, visit [ford.com.au/fordpass](https://ford.com.au/fordpass)

# Everest ownership experience

We're constantly introducing new tools and services, designed to adapt to your needs throughout the life of your vehicle.

Got questions? Speak with our Everest Expert. Get personalised expert advice to learn about the advanced features of the Ford Everest, or even buying advice on what model best suits your lifestyle. Our Experts can be accessed via [ford.com.au](https://ford.com.au). If available you can speak to them live or make a booking for a future appointment, all at a time convenient to you.

Launching later this year, the Discover Your Ford learning hub will be available to help you with everything from connecting FordPass to making the most of Drive Modes. Plus there's lots more to come!.

# Ford Insure<sup>15</sup>

Ford Genuine Parts maintain the integrity of your car by ensuring it performs the way it's meant to.

It's the same with Ford Insure. Because it's made specifically for your Ford, it offers these key features designed to restore your car to how it was before the accident:

## 3 Year New for Old Replacement<sup>16</sup>

If your vehicle is accidentally damaged beyond economic repair and less than 3 years old, you could be eligible to replace it with a new one

## New Genuine Parts<sup>17</sup>

Look after the integrity of your vehicle, by using only New Genuine Parts, when possible

## Choice of Repairer<sup>18</sup>

Provides you flexibility with your choice of repairer, when possible

## Flexible Payment Options<sup>19</sup>

Offers you both annual or monthly payments

For more information, visit [ford.com.au/owners/insurance](https://ford.com.au/owners/insurance)

# Service made easy

**When you service at a Ford Dealer with our factory trained technicians, your peace of mind is our top priority.**

Ford Dealers use Genuine Ford Parts<sup>20</sup> made for your vehicle (where possible) and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford service benefits on offer.

## **Service Loan Car<sup>21</sup>**

So you can stay on the road when you're getting your car serviced, you can take advantage of the Ford Service Loan Car program (subject to availability at participating dealers).

## **Roadside Assistance<sup>22</sup>**

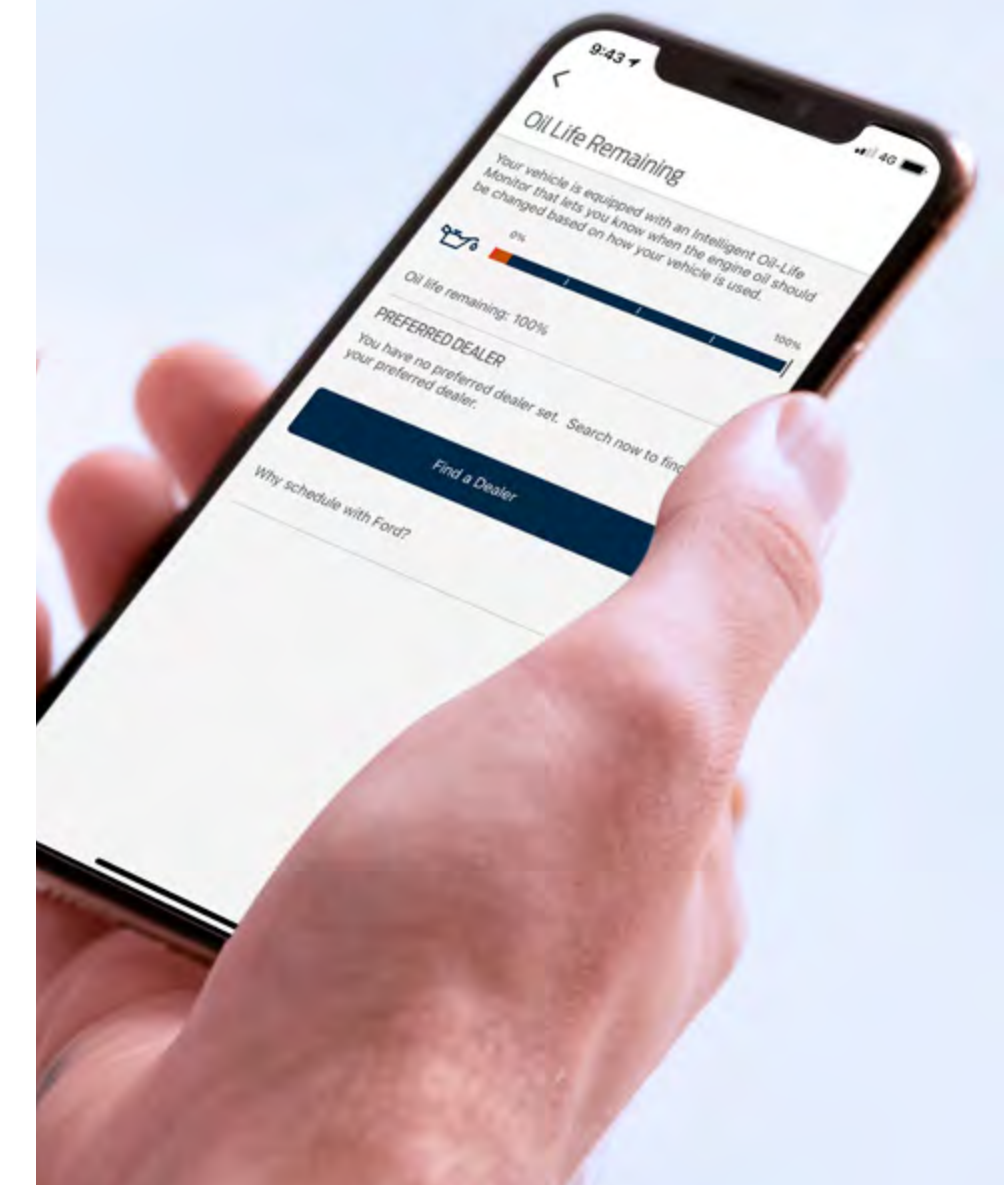

Enjoy Ford National Roadside Assistance with your vehicle purchase and after each General Service at a participating Ford Dealer. Retail customers also receive Auto Club Lifestyle Membership.

**Discover the full range of Ford service benefits by visiting [ford.com.au/owners/service](https://ford.com.au/owners/service)**

Vehicle shown with optional Premium Towing Pack

# Intelligent Oil Life Monitoring System (IOLM)

**The way you drive can have a significant impact on how often your oil needs changing.**

The Intelligent Oil Life Monitoring System measures the performance of your vehicle's oil and alerts you in the instrument cluster or FordPass App<sup>14</sup> when the oil needs changing.

# Nobody knows your Ford like we do

There's no better way to personalise your Ford than with the wide range of Ford accessories available for every model.

From seat covers and floor mats, to bull bars, you'll find lots of options to make your Ford uniquely your own at one of our nation-wide Dealers.

Vehicle shown with optional accessories

## Genuine Quality

Every Ford Genuine and Ford Licensed Accessory has undergone a rigorous evaluation process by Ford engineers to ensure it's fully compatible with your vehicle for optimal integration and performance.

## Five Year Warranty

Enjoy complete peace of mind with all Ford Genuine and Ford Licensed Accessories, backed by a full Ford Warranty<sup>23</sup> of up to 5 Years and unlimited kilometres.<sup>24</sup>

## Australia Wide

Our vast national network of Ford Dealers means there's a fitment centre conveniently located near you. Always up-to-date with thorough knowledge of the newest products and latest technical information, your local Ford Dealership is the perfect place for all your accessory needs.

**4X4 ACCESSORIES**

## Order your Everest adventure-ready

Ford has joined forces with ARB to create an exciting range of 4WD accessories designed for the Ford Everest. You can choose from a large selection of ARB Ford Licensed Accessories at your local participating Ford Dealer, backed by Ford's 5 year unlimited kilometre warranty<sup>23,24</sup> when fitted to your new Everest prior to delivery – and the range will continue to expand.

# The Range

Everest Ambiente

## Running a fleet?

Our Ford Fleet team is here to assist you in any way we can. Please email [askfleet@ford.com](mailto:askfleet@ford.com)

Issue Date: 15 January 2024

1. Standard on Sport 4WD and Platinum only. Not available on Ambiente, Trend, or Sport RWD.
2. Maximum towing capacity-braked using a Genuine Ford tow pack (optional as part of a pack at additional cost). Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual.
3. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. Available on Trend, Sport and Platinum 4WD models as part of optional pack. This option can be ordered before a vehicle is manufactured at an additional cost.
4. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations.
5. Some drive modes only available on Trend 4WD, Sport 4WD & Platinum models. Mud/Ruts & Sand modes intended for off-road use only.
6. Standard on Platinum only. Not available on other variants.
7. Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Only works with a genuine Ford Tow Bar.
8. Designed for use on rural roads at speeds of 65-110km/h. The feature does not detect every edge and does require a level of contrast between the road surface and edge to operate successfully.
9. Standard on Trend, Sport and Platinum only. For Ambiente models, this option can be ordered before the vehicle is manufactured at an additional cost.
10. Apple CarPlay™ / Android Auto™ requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions.

11. Wireless Charging only available with compatible phones.
12. Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates.
13. 10.1-inch touchscreen on Ambiente models. 12-inch touchscreen on Trend, Sport & Platinum.
14. Use of FordPass is subject to the FordPass Terms and Privacy Policy available on [ford.com.au/fordpass](https://ford.com.au/fordpass) and requires a compatible mobile device, internet access and software (including software updates from time to time). FordPass functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. The FordPass Connect modem will only function on the 3G or 4G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings.
15. While all reasonable skill and care has been taken in preparation of this it should not be construed or relied upon as a substitute for specific advice on your insurance needs. The advice is not based on your personal objectives, financial situation or needs. Accordingly, you should consider how appropriate the advice is to those objectives, financial situation and needs before acting on the advice and, before buying the product, you should read the current Product Disclosure Statement (PDS) and Target Market Determination (TMD) prepared by the insurer, HDI Global Specialty SE – Australia, ABN 58 129 395 544, AFSL 458776 ("HDI"). Both the PDS and the product TMD are available at [wtwco.com/fordinsure](https://wtwco.com/fordinsure). WTW receives commission benefits from the insurer. These fees and commission are disclosed in the WTW FSG and relevant client documentation. This insurance product is arranged by Ford Motor Company of Australia Pty Limited ABN 30 004 116 223 ("Ford Australia") or a participating Ford Dealer acting as a distributor of WTW for this product. In arranging this insurance, Ford Australia and participating Ford Dealers act on behalf of WTW and not as your agent. You should review and understand the WTW FSG. If you purchase this insurance Ford Australia and your participating Ford Dealer will receive a commission from WTW. For further information or assistance please go to [www.wtwco.com/fordinsure](https://www.wtwco.com/fordinsure) or call us on 13 FORD (3673). WTW are acting as agent of HDI Global Specialty SE- Australia under a binding authority agreement.

16. If your new vehicle is within 3 years of the first registration and is involved in a claim that is assessed a Total Loss, it may be replaced with a new vehicle of the same make and model, where a replacement vehicle is available. If the same make and model is not available, the Insurer may replace your vehicle with the nearest equivalent or suitable replacement. Refer to the Ford Insure PDS for full details.
17. Some insurance companies may use repairers that could use non genuine parts to repair your vehicle. If your claim is accepted the insurer will use Genuine Parts when available. If not available, the insurer may use genuine reconditioned or recycled parts or ADR certified new, recycled or reconditioned parts. Refer to the Ford Insure PDS for full details.
18. The Insurer may authorise repairs at your repairer of choice; pay you the reasonable costs of repairing your vehicle; or move your vehicle to another repairer that is agreed upon. Refer to the Ford Insure PDS for full details.
19. Premiums are payable annually or monthly, subject to minor adjustments (upwards or downwards) due to rounding and financial institution transaction fees apply. Refer to the Ford Insure PDS for full details.
20. Ford dealers use new genuine manufacturer parts where possible. If new genuine is not available we will use genuine reconditioned or recycled manufacturer parts for Australian Design Rules certified new, recycled or reconditioned parts.
21. Available at participating dealers on scheduled services or overnight warranty repairs. Private and Blue, Silver and Gold Business Fleet customers only. Provision of a Service Loan Car may be dependent on advanced booking and availability. See [www.ford.com.au/service/t-and-c](https://www.ford.com.au/service/t-and-c) for full terms.
22. Available to Private and Blue Business Fleet customers with vehicles up to 7 years old from date of first vehicle registration. Roadside Assistance and Auto Club Lifestyle Membership is included for 12 months or until your next eligible standard service (whichever occurs first) at a Ford Dealership. Customers must comply with scheduled servicing intervals to maintain continuity of membership. See [www.ford.com.au/service/owners/t-and-c](https://www.ford.com.au/service/owners/t-and-c) for full terms.
23. When fitted to your new vehicle prior to delivery. For full details please visit our Warranties page at: <https://www.ford.com.au/owners/warranties/>.
24. Warranty conditions apply. 5 year/unlimited km Ford Express New Vehicles Warranty applies to new, demonstrator and service loaner vehicles. Our goods come with consumer guarantees that cannot be excluded under the Australian Consumer Law. Our warranty does not limit and may not exceed your rights under those guarantees.

Specifications and features on production model may vary. Vehicle undercarriage should be cleaned with fresh water after driving on sand.

**P** = Part of a Pack that can be ordered before a vehicle is manufactured at an additional cost

**Disclaimer:**  
**9.** Zone Lighting will not operate if battery charge is insufficient. The length of time that Zone Lighting will operate depends on the battery charge, the types of lights fitted to the vehicle (LED or Bulb) and other electrical loads connected to the vehicle. The system will automatically turn off after a period of time to preserve the battery's engine starting performance. Factory Options can be ordered before a vehicle is manufactured at additional cost. **10.** Factory Options can be ordered before a vehicle is manufactured at additional cost. **11.** "Leather accented" refers to seats with a combination of real and artificial leather.

Disclaimer:

**12.** Wireless Charging only available with compatible phones. **13.** Use of FordPass is subject to the FordPass Terms and Privacy Policy available on [ford.com.au/fordpass](https://ford.com.au/fordpass) and requires a compatible mobile device, internet access and software (including software updates from time to time). FordPass functionality and appearance may change over time due to software updates. You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass App and FordPass Connect modem can only work when both are connected to the telecommunications network. The FordPass Connect modem will only function on the 3G or 4G telecommunications networks. When these networks are no longer available, the modem will stop functioning and the connected services and all data transmission via the modem will cease. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **14.** BANG & OLUFSEN© 2023 and B&O© 2023. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive System Manufacturing Kft. All rights reserved. **15.** Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. **16.** Eligible vehicles receive Connected Navigation Services for 1 year from the Ford Express New Vehicle Warranty start date, after which time the Connected Navigation Services may cease to be available, or may be subject to a subscription fee. To use Connected Navigation Services, users must have created a FordPass App account (terms apply), have fully activated the vehicle's FordPass Connect modem and have SYNC Location set to 'on'. **17.** Don't drive distracted. Use voice operated systems where possible and don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all SYNC features are compatible with all phones. SYNC screen appearance and functionality may change over time due to software updates. **18.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. **19.** Emergency Assistance feature needs a paired and in range mobile phone. Can activate in the event of a crash which deploys an airbag or activates the fuel pump shut off.

Disclaimer:

**20.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. **21.** Intelligent Adaptive Cruise Control (iACC) uses various data to adjust the set speed of the vehicle to the speed limit detected by the system. The iACC system will not always detect the correct speed limit and may set a vehicle speed that is above or below the actual speed limit. If the system does this, it can be overridden by the driver applying the brake or accelerator or via steering wheel controls. In some circumstances, iACC will use map data to set the vehicle speed. Ford recommends keeping map data updated by fully activating the vehicle's FordPass Connect modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. Adaptive Cruise Control and Lane Centring has a minimum operating speed of 20km/hr. Detection of lower speed limit will result in system entering standby when iACC is active. The Stop and Go functionality of this system operates as low as 0km/hr in traffic jam situations. Lane Centring feature should be disabled via the Driver Assistance menu in SYNC before towing. Customers should read the Owner's Manual for details of the limitations of the iACC system before activating. **22.** Speed Sign Recognition will not always detect the correct speed limit and may display a speed that is above or below the actual speed limit. In some circumstances, Speed Sign Recognition will use map data to display the speed limit on the digital instrument cluster. Ford recommends keeping map data updated by fully activating the vehicle's FordPass Connect modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. **23.** Intelligent Speed Assist (ISA) uses various data to limit the set speed of the vehicle to the speed limit detected by the system. The ISA system will not always detect the correct speed limit and may limit a vehicle speed above or below the actual speed limit. ISA can be temporarily overridden by the driver firmly pressing the accelerator. In some circumstances, ISA will use map data to limit the vehicle speed. Ford recommends keeping map data updated by fully activating the vehicle's FordPass Connect modem and enabling Connected Navigation Services. Connected Navigation Services are included for 1 year from the Ford Express New Vehicle Warranty start date and available ongoing subject to payment of a subscription fee. Customers should read the Owner's Manual for details of the limitations of the ISA system before activating. **24.** Trailer Coverage system supports conventional trailer dimensions: up to 2.4m wide (measured at trailer front) and up to 10m long from the rear of your vehicle. Drivers will need to create a profile of their trailers in SYNC to support this system. Factory Options can be ordered before a vehicle is manufactured at additional cost. **25.** Hill Descent Control on 4WD models only. **26.** Evasive Steer Assist does not control steering. **27.** Designed for use on rural roads at speeds of 65 – 110km/h. The feature does not detect every edge and does require a level of contrast between the road surface and the edge. **28.** Pre-collision Assist with Automatic Emergency Braking detects pedestrians, but not in all conditions, and can help avoid or reduce a collision. It does not replace safe driving. Intersection Assist does not detect all vehicles in intersection, pedestrians or cyclists. It does not replace safe driving. See Owner's Manual for Limitations. **29.** Reverse Brake Assist functions when in reverse and travelling at a speed of 2-12 km/h. Please see the Owner's Manual for precautions and limitations. **30.** Factory Options can be ordered before a vehicle is manufactured at additional cost. **31.** Maximum towing capacity-braked using a Genuine Ford tow pack. Subject to State and Territory regulations. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. **32.** Factory Options can be ordered before a vehicle is manufactured at additional cost. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit. **33.** Factory Option that can be ordered before a vehicle is manufactured at no additional cost.
