STYLING DIRECTOR PEUGEOT

ALL-NEW 508 GT
A RADICAL FASTBACK.

With its low-slung body, tautly drawn lines and muscular, steely style, the all-new PEUGEOT 508 GT possesses a sleek and innovative spirit. To accompany the style, the new model's exclusive 1.6L PureTech 225 EAT8 S&S engine heightens the driving senses further.

*Model shown includes PEUGEOT genuine accessories.

SHARP DESIGN.

Immediately recognisable with its sharp front end, boasting a striking front grille with embossed chequered chrome design and framed by Full LED headlights, the all-new PEUGEOT 508 GT is radically modern, the design is clear and perfectly proportioned, with a muscular and athletic profile and a tight waistline serving to accentuate the curvaceous wings with their uninterrupted flow.

THE UNRIVALLED PEUGEOT I-COCKPIT®.

Take the controls in the PEUGEOT i-Cockpit® and experience the very latest in car interior design, with a compact multi-function steering wheel, configurable 12.3" head-up digital instrument panel and 10" HD capacitive touchscreen, any journey, no matter the distance will be a delight.

TIMELESS MODERNITY.

Finished in premium, contemporary materials, the interior of the all-new PEUGEOT 508 GT is beautifully appointed. Interior detailing includes the use of high gloss piano black and satin chrome trims whilst the dashboard and door facia panels are adorned by carbon effect trim. The seating finish is truly opulent, trimmed in high grade full grain Nappa leather⁽¹⁾ with a 'Mistral' black hue and intricate 'Aikinite' copper stitch detail. The theme of luxury continues further with front seat passengers able to enjoy multi-point massage and heating functions.

⁽¹⁾ Some surfaces contain leather effect materials

PIERRE-PAUL MATTEI

HEAD OF DESIGN FOR THE ALL-NEW PEUGEOT 508

ALL-NEW PEUGEOT 508 GT
BEYOND WORDS.

The power and appeal of the all-new PEUGEOT 508 GT immediately catches your eye, formed of sleek lines, refined design and high-tech equipment including the frameless electrochrome rearview mirror and premium GT detailing.

BOLD ELEGANCE.

At the front, the chrome-plated chequered front grille, Nera Black door mirror shells and the brand's new, latest-generation lighting signature underscore the pure and bold lines of the all-new PEUGEOT 508 GT.

SEE THE LIGHT.

For enhanced visual comfort day and night, the brand's distinctive new light signature comprises Full LED headlights with self levelling and static cornering function. The lighting signature is further enhanced with the striking front LED daytime running lights that also act as the vehicle indicators. You can see and be seen at all times, for optimised driving and safety.

STAND OUT FROM THE CROWD.

The rear light signature is a true work of art, centering around two LED three-dimensional 'claw effect' lights. Inspired by the iconic PEUGEOT 504, the 3D 'claw effect' LED lighting also features a dynamic scrolling 'welcome sequence' upon unlocking the vehicle. Equipped with a daytime running function, the intensity of the lights adjusts automatically to light conditions, enhancing the visibility of the vehicle, day and night.

« THE ALL-NEW PEUGEOT 508
FEATURES ALL THE BRAND'S STRENGTHS
IN TERMS OF ATHLETICISM, ELEGANCE
AND INNOVATION. »

BERNARD HESSE
BRAND PROJECT MANAGER FOR ALL-NEW 508

*Model shown includes PEUGEOT genuine accessories.

ALL-NEW PEUGEOT 508 GT RESOLUTELY MODERN.

At the rear, the gloss black rear cluster connecting strip framed by the 3D effect of the lights, takes direct inspiration from the PEUGEOT Instinct concept car. The taut rear design is highlighted by the intricate rear wing design while the 18" 'Sperone' diamond-cut two tone alloy wheels underline the dynamic silhouette of the all-new PEUGEOT 508 GT.

FRAMELESS DOOR.

With its elegant, sleek and athletic body styling, the all-new PEUGEOT 508 GT takes inspiration from the world of coupés but possesses all the features of a saloon. From the very first design sketches, the focus was on creating optimised proportions through meticulous attention to detail. The frameless doors, both front and rear are a true work of art, yet the thoughtful touches including thickened glass ensure all-new 508 provides both style and substance in equal measures.

*Model shown includes PEUGEOT genuine accessories.

OPEN TO THE WORLD.

Take in the beauty of the landscapes around you. The optional panoramic opening glass roof gives all passengers, including rear occupants, a unique wide-angle view of the landscape. The roof, complete with electric blind and wind deflector for optimum comfort, takes on a dynamic, spoiler appearance when open and provides a striking contrast when paired with lighter body colours.*

UNCOMPROMISING QUALITY.

The elegance of the frameless doors is the perfect accompaniment to the pure style lines of the all-new PEUGEOT 508. To that end, the design team harnessed all of its expertise to deliver uncompromising aesthetics and quality. Meticulous work went into the proportions, fit and finish. The end result, being that each detail lends its own touch of perfection.

STAY CONNECTED TO THE WORLD OUTSIDE.

Replicate your favourite compatible apps on the 10" HD capacitive touchscreen using the Mirror Screen® function⁽¹⁾ and charge your smartphone⁽²⁾ wirelessly on the central console. Travel with complete peace of mind with 3D Navigation.

⁽¹⁾Mirror Screen® uses smartphone subscription data, requiring a call plan including web access, and generates no additional subscription fees. Users connect their device to the vehicle using a USB cable. The Mirror Screen® function operates via Android Auto (on Android OS smartphones after downloading the Android Auto app on their smartphone whilst the vehicle is stationary), Apple CarPlay™ (iOS smartphones) or MirrorLink® technology (smartphones compatible with MirrorLink®). For your safety, Android Auto, Apple CarPlay™ or MirrorLink® certified apps will work only when the car is stationary or moving, as applicable. When on the move, some app functionalities will be blocked. For some types of content that may be used free of charge on your smartphone, you will need to subscribe to an equivalent pay app certified by Apple CarPlay™, MirrorLink® or Android Auto. Android Auto and Apple CarPlay™ can be voice controlled.

⁽²⁾ Standard - Induction charging for devices compatible with the Qi standard

BESPOKE SEATING COMFORT.

For optimum comfort in all situations, the all-new PEUGEOT 508 is equipped with sumptuous wraparound driver and passenger seats with AGR certification⁽¹⁾ concerning ergonomics and the range of seat adjustments.

For optimal comfort, the all-new PEUGEOT 508 comes standard with multi-point electric adjustment, a multi-point massaging system activated by eight pneumatic pockets and driver seat memory.

For those cold mornings, all-new PEUGEOT 508 also features front seat heating in the base and lower back rest.

HI-FI FOCAL® FOR PERFECT SOUND.

The premium Hi-Fi FOCAL® system boasts pure and detailed sound reproduction for motorists seeking leading-edge sound quality. Equipped with ten speakers and the finest acoustics technologies with an output of 515 watts, the all-new PEUGEOT 508 pushes back the limits of the in-car Hi-Fi experience.

ENHANCED PRACTICALITY.

Numerous storage spaces are laid out around the cabin. At the front, large and conveniently shaped front door pockets combine with a wealth of storage in and around the centre console. The objects of rear passengers are also within easy reach. Explore all the ingenious systems on board all-new PEUGEOT 508.

*Model shown includes PEUGEOT genuine accessories.

EXTRA VOLUME.

For the first time, all-new PEUGEOT 508 features a 'hatchback' style tailgate⁽¹⁾ the large load space can easily accommodate luggage and is eminently practical thanks to the extra-wide tailgate opening. The all-new PEUGEOT 508 comes standard with a smart electric tailgate with 'hands free' function, which, combined with the PEUGEOT Open and Go, keyless entry system, enables motorists to open and close the boot with a simple movement of the foot under the rear bumper.

⁽¹⁾Boot volume = 487 litres. Load volume can also be increased by folding the rear bench down in part or full

LAURENT BLANCHET
PRODUCT DIRECTOR PEUGEOT

*Model shown includes PEUGEOT genuine accessories.

GO YOUR OWN WAY.

The all-new PEUGEOT 508 benefits from the brand's most advanced technological developments. With its precise handling, unrivalled steering feel and exemplary road-holding which is further enhanced by the active suspension system, the new model makes every journey an occasion.

ALWAYS GOT YOUR BACK.

Featuring an extensive range of technological equipment, the all-new PEUGEOT 508 is fitted with the brand's latest-generation Advanced Driver Assistance Systems that reinforce safety, including:

- Highway Positioning Assist with Active Lane Keeping Assist
- Active Blind Spot Monitoring
- Adaptive cruise control with Stop & Go
- City Park (self parking technology)
- Advanced Autonomous Emergency Braking.

ANTICIPATING YOUR SAFETY.

Every all-new PEUGEOT 508 features the Safety Plus Pack as standard. With this pack, driving aids assist you for complete peace of mind on the road. The pack includes the Advanced Emergency Braking System (AEBS3) with distance Alert, Active Lane Keeping Assist (LKA) and Speed Limit Recognition and Recommendation, Active Blind Spot detection (ABSD), Advanced driver Attention Alert (DAA3), PEUGEOT Smartbeam Assistance and Speed Limit and Road Sign Recognition.

GO AUTONOMOUS.

With the Drive Assist Plus Pack, drive your all-new PEUGEOT 508 semi-autonomously. Using a radar built in to the centre of the front bumper and the camera on the upper windscreen, the Adaptive Cruise Control system with the Stop & Go function automatically adapts your car's speed to that of the car ahead, maintaining a constant distance. It is combined with the Lane Positioning Assist system that keeps the car in the position chosen by the driver.

UNCOMPROMISING EFFICIENCY.

The all-new PEUGEOT 508 is powered by latest-generation PureTech turbo petrol engine, with 225hp (165kW) of power.

SEAMLESS SHIFTS.

As efficient as a manual gearbox, the new EAT8 automatic gearbox⁽¹⁾ offers quick and seamless gear shifts. For the more exuberant driver, manual changes can be conducted via the steering column mounted paddles, whilst for optimum ease and comfort, the EAT8 gearbox will automatically place itself into park upon switching off the ignition.

⁽¹⁾ EAT8 (Efficient Automatic Transmission 8): new 8-speed automatic gearbox

IN IT FOR THE LONG TERM.

With its bold and radical styling, the all-new PEUGEOT 508 was designed to meet the needs of professionals, and notably with total cost of ownership (TCO) in mind. The design excellence, meticulous finish and durability of the all-new PEUGEOT 508 are designed to increase its residual value. The car's equipment, materials and engines were selected with the highest standards and rigour, to reduce regular maintenance and fuel consumption costs.

« THE INTERIOR OF THE ALL-NEW PEUGEOT 508
IS ALREADY AN INVITATION TO TRAVEL.

- 4 - Two front mudflaps

PEUGEOT CARE

When you choose PEUGEOT, you have the reassurance of knowing that your vehicle has been designed and manufactured to give you years of worry-free motoring. Our PEUGEOT Care Program is designed to meet this objective. Whats more, as a PEUGEOT owner, you can rely on a comprehensive range of customer care services from your dealer.

So you can be sure that you're talking to a specialist who'll listen to you, understand your needs and respond efficiently – someone who also has the expertise to maintain your PEUGEOT correctly, using trained technicians, PEUGEOT Diagnostic Equipment and PEUGEOT Genuine Parts.

PEUGEOT ASSURED SERVICE

When it comes to peace of mind servicing for your new PEUGEOT there is no substitute for certainty, therefore every PEUGEOT comes with PEUGEOT Assured servicing. PEUGEOT petrol and diesel-engined cars need servicing at 20,000 kilometres or every 12 months (whichever comes first). Technical improvements in PEUGEOT engine design and lubricants have resulted in less time spent on maintenance and fewer service calls. While PEUGEOT can predict the maintenance needs of engine components, the wear rate of others – such as brake pads and tyres – are less predictable and are affected by driving style and conditions. Refer to peugeot.com.au for full details, terms and conditions.

FIVE YEAR/UNLIMITED KILOMETRE

Should any part of the vehicle require repair or replacement as a result of a manufacturing or material defect within the warranty period the part will be repaired or replaced without charge by your authorised PEUGEOT dealer, regardless of any change of ownership of the vehicle during the period covered. The warranty does not cover items replaced during normal

service and maintenance operations which are subject to wear and tear.

Full details of all terms and conditions are available here: <https://www.peugeot.com.au/aftersales-services/warranty/>

12-YEAR ANTI-CORROSION WARRANTY

PEUGEOT vehicles are renowned for their durability and longevity, due in part to the sophisticated measures taken during the production process to optimise long-term protection from the elements. PEUGEOT backs this advanced technology with a 12-year warranty against corrosion/perforation of your car's bodywork (subject to the conditions outlined in the Service and Information Booklet). This is one of the longest body warranties available in the world today.

PEUGEOT ASSISTANCE

During the warranty period you will also automatically receive PEUGEOT Roadside Assistance cover for complete peace of mind. In the unlikely event of a breakdown or emergency, assistance is only a phone call away. PEUGEOT Roadside Assistance is free for PEUGEOT new car owners for the duration

of the new car warranty. The program includes 24-hour roadside assistance, vehicle recovery and technical advice. Full details of all terms and conditions are available here: <http://www.peugeot.com.au/service-and-support/roadside-assist>

PEUGEOT GENUINE PARTS PROMISE

If your car is in for service or repair, the parts needed to keep it on the road are PEUGEOT Genuine Parts. Using specifically designed and manufactured parts ensures your PEUGEOT operates at peak performance at all times.
