HATCH

5 YEAR UNLIMITED KM
WARRANTY

TURN HEADS AS YOU TURN CORNERS.

It's true you can't judge a book by its cover. But a sharp exterior can pique the curiosity and intrigue you to explore just a little further.

The Civic Hatch is designed to do just that. Up front, the sporty, angular piano black grille attracts the eye and makes a striking first impression. The 17-inch alloys* with gleaming flexed wheel arches cleverly create the illusion of motion whether moving or standing still. And then there are the stylish LED Daytime Running Lights. Hard to miss, they're a brilliant teaser of all the exciting features to come.

DELIGHT IN THE DETAILS.

The joy of a car that keeps intriguing is that every time you drive it, there's something new to discover. That's why the interior of the Civic Hatch has been designed around you. Down to the very last detail.

The heated front seats* with leather-appointed trim* ensure a warm start to every cold winter morning. An intuitively arranged dash with premium soft touch features puts everything comfortably at your fingertips.

Connecting to the outside world is easy. The Advanced Display Audio with high definition 7-inch touchscreen keeps you entertained, in-touch and out of harm's way. Contoured steering wheel controls with voice command allow you to keep your eyes squarely on the road. And Apple CarPlay®+ and Android® Auto+ integrate seamlessly with maps, music, messaging and even a few of your favourite apps.

FUEL YOUR CURIOSITY.

No matter where your curiosity takes you, the Civic Hatch features the perfect balance of performance and fuel efficiency for any adventure.

The 1.8L i-VTEC engine delivers an impressive 104kW of power, while the 1.5L Turbo VTEC boasts a hair raising 127kW and an exceptional 6.1 litres per 100km*. VTI-L models and above are equipped with the latest Honda Earth Dreams Technology, which maximises performance and efficiency, satisfying both your sense of adventure and responsibility to the world around you.

Both engines come paired with Honda's revolutionary Continuously Variable Transmission (CVT). Smooth, fast and stunningly efficient, it delivers a constant wave of power. And it all rests on a light yet rigid chassis with an optimised power to weight ratio, lower centre of gravity and wider track. On the road it gives the Civic Hatch more dynamic handling around corners and at high speeds. So you can maintain complete control, no matter where the road takes you.

*The figures quoted are based on ADR81/02 test results. RS shown in Sonic Grey Pearllescent.

SAFETY ABOVE ALL.

The Civic Hatch boasts a range of standard safety features designed to get you where you're going, safe and sound. Electronic Brake-force Distribution, a Traction Control System and Vehicle Stability Assist actively work to keep you in control. While six SRS airbags and side impact protection are always standing by, just in case.

The Civic VTi-LX employs some of the most advanced safety technologies available today. Introducing Honda Sensing. This intelligent suite of driver-assist technologies is designed to help improve your situational awareness, and, in some cases, intervene to help avoid a collision or lessen its severity. No matter what model you choose, the Civic Hatch puts your safety first.

Honda Sensing technologies are driver-assist technologies and should not be used in place of safe driving practices. Drivers should continue to monitor the road at all times. The accuracy and operation of Honda Sensing technologies may vary based on weather, speed, traffic, road conditions, markings and other factors.

Honda SENSING

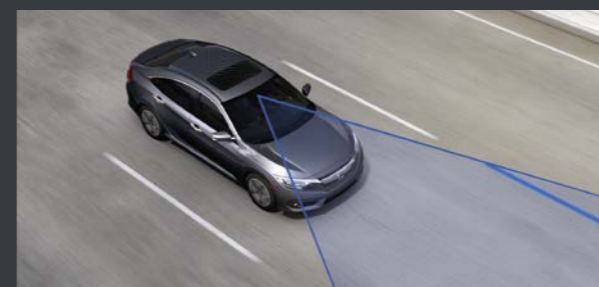

REACTS TO A HAZARD BEFORE YOU MIGHT

FORWARD COLLISION WARNING

By constantly keeping an eye out for vehicles ahead, Forward Collision Warning (FCW) reduces the stress of driving in heavy traffic. If the system determines that a collision may occur, you'll be given an instant visual and aural alert to help you avoid whatever is in your path.

COLLISION MITIGATION BRAKING SYSTEM

If you happen to miss the FCW and a collision is likely, the Collision Mitigation Braking System (CMBS) will go one step further by applying the brakes. This helps to mitigate the severity of an accident that's unavoidable.

PAYS ATTENTION, EVEN IF YOU DON'T

LANE DEPARTURE WARNING

By reading the markings on the road beneath you, this technology triggers an on-screen message and sounds an audible alert if you accidentally cross into another lane without indicating.

ROAD DEPARTURE MITIGATION SYSTEM

If the Road Departure Mitigation System detects that you are drifting out of a lane with solid lines without signalling, you'll be steered gently back into the lane. In rare cases, gentle braking will be applied to keep you safe.

KEEPS YOU IN A SAFE POSITION

LANE KEEPING ASSIST SYSTEM

On a long drive, you'll truly come to appreciate the magic of Lane Keeping Assist System (LKAS). When you switch the system on, LKAS will read the lane and sense as you drift from its centre, this technology applies corrective steering torque to maintain perfect lane position.

ADAPTIVE CRUISE CONTROL WITH LOW-SPEED FOLLOW

By detecting the vehicle in front of you, this lets you maintain a set speed and following distance. Even in start and stop traffic conditions, Adaptive Cruise Control knows to keep your distance.

SELECT YOUR MODEL

VTi

The VTi comes standard with:

- 1.8 litre SOHC i-VTEC 4-cylinder engine
- 104kW @ 6500rpm and 174Nm @ 4300rpm
- Fuel consumption 6.4L/100km*
- Continuously Variable Transmission (CVT)
- Electric parking brake with automatic brake hold
- 16-inch steel wheels
- Electrically adjustable door mirrors
- Halogen projector beam headlights with auto-off timer
- LED Daytime Running Lights (DRL)
- Tail lights with integrated LED light bars
- Two-speed and intermittent front windscreen wipers
- Rear windscreen wiper
- Piano black grille and B-pillar
- Cargo restraint hooks
- Shark fin antenna

- Body coloured tailgate spoiler
- Piano black rear spoiler

- Tonneau cover
- Black fabric seat trim
- Black fabric roof lining
- Cruise control with speed limiter
- Single-zone climate control
- 60/40 split fold rear seats
- 8-speaker audio
- Volume control

- LCD Driver Information Interface with colour display
- Advanced Display Audio (7-inch colour touchscreen) including:
 - AM/FM radio
 - Bluetooth® phone and audio connectivity°
 - USB connectivity
 - Apple CarPlay®†
 - Android® Auto™‡

- Multi-angle reversing camera with dynamic guidelines
- Anti-lock Braking System (ABS)
- Electronic Brake-force Distribution (EBD)
- Emergency Stop Signal (ESS)
- Hill Start Assist (HSA)
- SRS airbags: dual front, side and full-length curtain
- Tyre Deflation Warning System (DWTS)
- Agile Handling Assist System (AHAS)
- Vehicle Stability Assist (VSA)
- Security alarm

VTi-S

Additional features over the VTi:

- 16-inch alloy wheels
- Door mirrors with LED integrated indicators
- Variable intermittent front windscreen wipers
- Smart keyless entry with walk-away locking
- Push button start
- Front halogen fog lights
- Black premium fabric seat trim
- Leather-wrapped steering wheel
- LaneWatch
- Front parking sensors
- Rear parking sensors

VTi-L

Additional features over the VTi-S:

- 1.5 litre DOHC VTEC turbo engine
- 127kW @ 5500rpm and 220Nm @ 1700-5500rpm
- Fuel consumption 6.1L/100km*
- Paddle shift gear control
- 17-inch alloy wheels
- Auto headlights (dusk sensing)
- Auto front windscreen wipers (rain sensing)
- Privacy glass (rear)
- Digital radio (DAB+)°
- Dual-zone climate control

RS

Additional features over the VTi-L:

- 17-inch alloy sports wheels
- Chrome door handles
- Piano black side skirts
- Front and rear under spoilers
- Central twin exhaust
- Front LED fog lights
- LED headlights with auto-levelling
- Electric sunroof
- Black leather-appointed seat trim†
- Heated front seats
- Drilled alloy sports pedals
- 452-watt premium audio system with 12 speakers, including subwoofer
- 8-way adjustable electric driver seat

VTi-LX

Additional features over the VTi-L:

- Front LED fog lights
- LED headlights with auto-levelling
- Electric sunroof
- Auto-dimming rear view mirror
- Leather-wrapped gear shift knob
- Black leather-appointed seat trim†
- Heated front seats
- 452-watt premium audio system with 12 speakers, including subwoofer
- Satellite navigation with SUNA™ live traffic updates
- 8-way adjustable electric driver seat
- Honda Sensing suite of driver-assist technologies including:
 - Forward Collision Warning (FCW)
 - Collision Mitigation Braking System (CMBS)
 - Lane Departure Warning (LDW)
 - Road Departure Mitigation System (RDM)
 - Lane Keeping Assist System (LKAS)
 - Adaptive Cruise Control (ACC) with Low-Speed Follow (LSF)
