Liberty 3.6R AWD

performance enhanced

For more power, luxury and performance step up to the Subaru Liberty 3.6R AWD. With 11 Harman Kardon® speakers¹, subwoofer and amplifier you won't feel like you're watching a band, you'll feel like you're in one. Under the hood is a six-cylinder horizontally-opposed Boxer engine that lies flat and therefore has a lower centre of gravity. Meaning better ride and superior handling. You'll love every centimetre of the Subaru Liberty 3.6R AWD. And every corner too.

why Liberty?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru Liberty has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for near perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

Finest safety

5 star ANCAP safety across the Liberty range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru Liberty to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru Liberty carries the maximum 5 star ANCAP¹ safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard on every Subaru Liberty variant.

Efficiency without compromise

Auto Stop Start

We're constantly thinking of ways to help the environment and become more fuel-efficient. That's why we developed Auto Stop Start technology. It saves fuel by immediately cutting the engine when you don't need it, like when you're idling or stopped in heavy traffic. The moment you're ready to move again, the engine restarts in a fraction of a second. Our Auto Stop Start technology is standard on Liberty 2.5i AWD and 2.5i Premium AWD variants.

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Yet another world first

Lineartronic® CVT

Pushing innovation beyond the bounds, we introduced an automatic transmission called Lineartronic® Continuously Variable Transmission (CVT). And it's the reason our automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – our Lineartronic® CVT provides infinite variability between the highest and lowest available gears. So you now experience a smooth gear change, into any optimum gear for that moment. Lineartronic® CVT is standard on all Subaru Liberty variants.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so we crafted

Subaru Intelligent Drive (SI-Drive) technology, available on all Subaru Liberty variants, to do just that. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and on the Subaru Liberty 3.6R AWD, Sport Sharp (S#) mode – for a truly thrilling drive.

We're looking out for you

EyeSight® Driver Assist

We were the first car company to exclusively use stereo camera technology to detect objects in our vehicles path. A sign of our future-thinking and our commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® Driver Assist technology is standard across the entire Subaru Liberty range.

Clever thinking

Subaru's Vision Assist

Subaru's Vision Assist is advanced technology that gives you greater awareness of the world around you. Subaru's Vision Assist Blind Spot Monitoring features rear and side sensors that let you know when there's something in a blind spot to make lane changes safer. The Rear Cross Traffic Alert can warn you that another car is approaching when reversing out of a car space. Cutting-edge technology to help keep your family safe. Subaru's Vision Assist available on Subaru Liberty 2.5i Premium AWD and 3.6R AWD.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 5 Year/Unlimited Kilometres¹

Every new Subaru purchased for private use is covered by a 5 Year/Unlimited Km manufacturer's national warranty. Visit www.subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our 5 Year/125,000 Km Capped Price Servicing Program², you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru

technicians will be looking after your pride and joy using only Genuine Subaru Parts.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit, your unit will be covered by Subaru's Map Update Program³ – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help⁴ with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

1. Every new Subaru comes with a 5 Year/Unlimited Km warranty period, unless the vehicle is used as a hire car, taxi, ride share, rental, driving school, delivery or courier vehicle in which case the warranty period is 5 Year/150,000 Km (whichever occurs first). For full warranty terms and conditions, visit www.subaru.com.au/warranty. 2. Every eligible Model Year 2020 onward Subaru Liberty comes with Subaru's 5 Year/125,000 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 3. Subaru's Map Update Program is available on MY20 Subaru Liberty models purchased from 10th February 2020 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/owner-experience/benefits/subaru-map-update-program. 4. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For a full list of benefits, visit www.subaru.com.au/owner-experience/benefits/program/roadside.
