Renault recommends elf

renault.com.au

"The tied-down chassis and trick suspension make it the ultimate all-rounder."

Craig Duff
CarsGuide

"Thanks to its 'Sport' chassis, the Clio R.S.'s body control inspires preternatural confidence."

Mike Costello
CarAdvice.com.au

Overseas model shown

Celebrate your competitive spirit

The Clio R.S. features the introduction of the thrilling Renault Sport-developed 200hp 1.6L Turbo engine and Efficient Dual Clutch transmission. The result is a combination of heart-racing sports performance with the power and renowned handling you expect from a performance icon and everyday driving enjoyment.

The Clio R.S. delivers more for less. It is a breathtakingly fun hot hatch with all the performance technology and authentic Renault Sport driving experience you want, and a price tag you might not expect.

The Clio R.S. builds on its predecessors' class-leading chassis dynamics and power to weight ratio revered by driving enthusiasts around the world, marrying these iconic performance foundations with new levels of technological innovation.

Power you control

The combination of high-performance features and refined technology developed through Renault Sport's decades of F1® expertise has resulted in an impressive offering from the new Clio R.S. of 147k wer at 6000rpm and 240Nm of torque at 1750rpm.

The EDC (Efficient Dual Clutch) provides swift automatic gear changes in the blink of an eye, making driving in heavy traffic easier. Or feel free to let loose and control the gear changes manually using either the leather-wrapped gear lever or the column-mounted paddle shifters inspired by Renault's years of F1® success.

You'll also enjoy the benefits of more F1® technology under the bonnet with turbocharged direct injection with dual camshaft timing actuators and DLC (diamond-like carbon) lifters.

The resulting reduced inertia and Electronic Smart Management enables the vehicle to achieve 0 to 100km/h in 6.7 seconds. Launch Control also limits wheel spin during fast take-offs so you can get off the line with confidence. The spoiler has also been increased in length by 50mm, contributing 20% of the vehicle's downforce without increasing drag.

Distinctive Design

The Clio R.S. combines Renault's bold design identity with sleek lines and dynamic sports styling. Renault Sport credentials are obvious throughout, from its lightweight alloy wheels to its prominent R.S. badging.

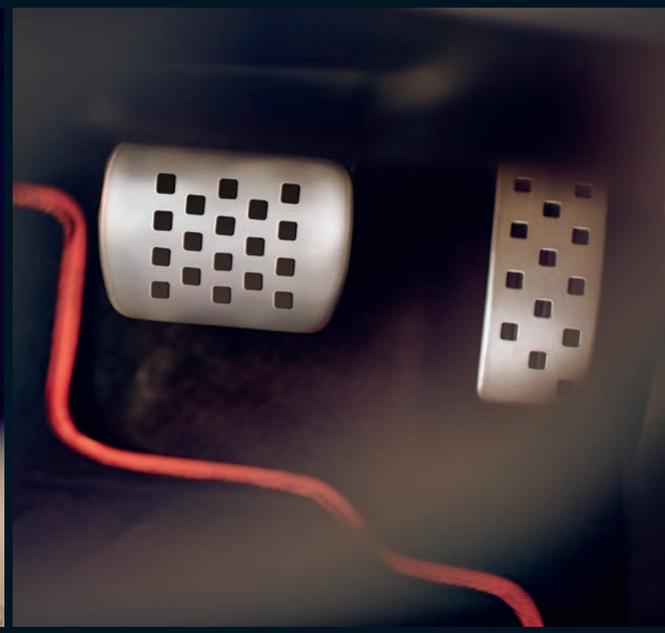

The Clio R.S. presents a perfect combination of aerodynamics and style. Features include F1® blade on the front bumper; spoiler, diffuser and twin tail exhaust pipes; offset LED daytime running lights; side skirts and specific 17" and 18" alloy wheel rims.

The sportiness is in the details

An obvious passion for motorsport is present in the styling and outfitting of the cockpit: special dials, sports seats with headrests marked with the R.S. logo and an aluminium pedal unit. Together they combine to deliver exclusive interior styling that matches the sporty exterior to the last detail.

The new Clio R.S. TROPHY

Faster, sharper, grippier, the Clio R.S. 220 Trophy has been finely honed by Renault Sport's passionate engineers. Featuring a larger turbocharger and revised mapping, the engine output has been boosted by 20hp and 20Nm to 220hp and 260Nm (and up to 280 with overboost technology in the 4th and 5th gears). It has also been fitted with a chassis adjusted specifically to the track that is lower, stiffer and contains firmer shock absorbers.

The Trophy badges on the F1® blade and on the numbered doorsill are the outward signs that it belongs to the club of high performance vehicles. Add to this Trophy high-backed front seats with heating elements and partial dark carbon leather, and 18" diamond-cut Radicale alloys, the Clio R.S. 220 Trophy has style to match its track performance.

Overseas model shown

Sleek lines

The Clio R.S. Trophy is fitted with Radicale 18"diamond black-coated wheel rims, increasing its exclusive sporty look.

Trophy marking on the front F1® blade, on the decorative door bead and on the numbered edition door sill. Signs of a unique personality.

Sporty from every angle

The Trophy signature is directly linked to motorsports, with the sporty leather seats of the Clio R.S. Trophy and their integrated head-rests.

The first contact with sporty driving is the perforated leather steering wheel. On board the Clio R.S. Trophy, the sensations born from the styling match its performance.

Formula 1® DNA

Renault has been involved with Formula 1® for over 35 years, both as a manufacturer and engine builder, with a record of 12 manufacturing world champion titles, 165 victories and 213 pole positions. To Renault, the F1® championship is an open-air laboratory, enabling technological experiments of all types conducted under extreme conditions for the benefit of your car.

Performance, reliability and efficiency are at the heart of the concerns of Renault F1® and those fanatics working in its teams. This quest for excellence has given birth to a new range of downsized Renault engines, technology that reduces the size of the engine while maximising energy performance.

Driven by technology

R.S. Drive

Pressing this button gives you access to three modes: Normal, Sport and Race. Depending on the mode, R.S. Drive* alters the mapping of the gearbox, the behaviour of the Electronic Stability Control (ESC), the steering and the sensitivity of the accelerator pedal.

*R.S Drive accessible only when Cruise Control is inactive

Paddle shifters with EDC transmission

Steering wheel paddle shifters allow for fast gear changes (up to 120 ms) without affecting manual steering. Optimised performance is achieved via the link to the sequential EDC 6-speed dual clutch gearbox, offering reactivity and driving comfort. In Race mode on the R.S. Drive*, the gearbox becomes totally manual.

R.S. Monitor

Adopted by R-Link®, R.S. Monitor† is the dedicated telemetry tool that controls and measures your car's performance. This technology displays real time torque and power outputs, G-Force diagrams, wheelspin and much more. You can even download and share your results online.

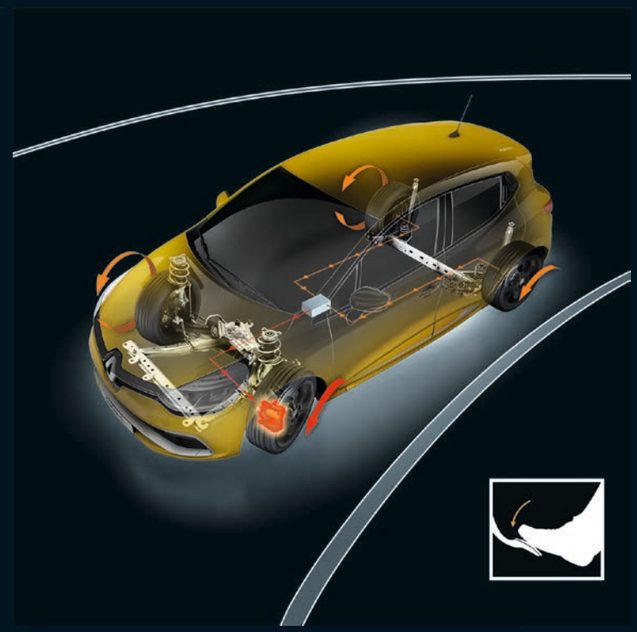

†R.S. Monitor only available on Premium and Trophy models

The heart of performance

At the heart of Renault Sport's know-how, the suspension has been revised with the aim of significantly improving the damping, handling responsiveness, road-holding and braking of the Clio R.S.

Sports chassis

The architecture of the front axle has been re-designed, with oversizing of some components to increase rigidity. On the rear axle, the Clio R.S. has 260 mm brake disks and a large sway bar to increase stiffness by 10%. For maximum performance, those who love track-driving should select the Cup chassis with 15% extra firmness and 5 mm lower.

Hydraulic tappets

Borrowed from the world of rally, the hydraulic compression tappets absorb the shocks taken by the shock absorbers, to give comfort without compromising on efficiency.

Electronic differential

The electronic differential developed by Renault Sport improves the traction on curves and provides a speed increase of 10% coming out of bends.

Overseas model shown

Launch Control

Stage 1

Stage 2

Stage 3

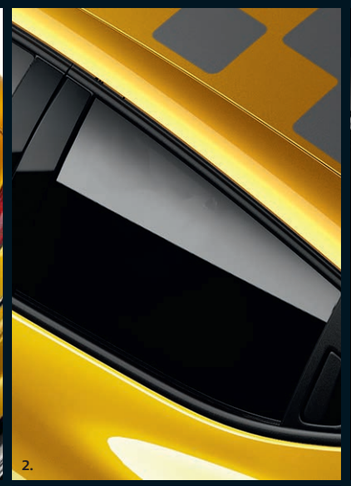

Take-off like an experienced racing driver as you discover the exhilaration of Launch Control. With paddles at hand, right foot on the accelerator and left foot on the brake, the message, "Launch Control On", is displayed. As soon as the left foot is raised from the aluminium pedal, the Clio R.S. explodes off the line, with breath-stopping dynamic gear changes.

Sport / Cup

18" Radicale alloys

17" Tibor alloy wheels

Key features

- Dual front and side airbags plus head and chest side airbags
- Anti-lock Braking System, Emergency Brake Assist (EBA), Electronic Brakeforce Distribution (EBD), Anti-Slip Regulation (ASR), Hill Start Assist (HSA), Electronic Stability Control (ESC)
- Automatic headlights and windscreen wipers
- Hands-free entry and engine start
- Manual air conditioning
- Front LED daytime running lights
- Privacy glass on rear windows and tailgate
- Renault Sport dark carbon cloth upholstery with red stitching and R.S. logo on front headrests
- Renault Sport rear spoiler
- Front bumper with F1® style blade
- Hidden rear exterior door handles
- R.S. badging on steering wheel, boot and front grille
- Rear diffuser with dual chrome rectangular exhaust finishers
- Renault Media Navigation System with 7" touchscreen
- Cruise control with speed limiter
- Paddle shift with multi-gear change down function
- R.S. Drive with three modes – Normal, Sport or Race*
- Three child seat anchorage points for rear seats
- Bluetooth® phone pairing^
- 4 speaker audio system by Arkamys with AM/FM, MP3, auxiliary and USB input with fingertip controls

Sport Key features

- Sports Chassis
- 17" Tibor alloy wheels

Cup Key Features

- Cup Chassis
- 18" Radicale alloy wheels with front and rear red brake calipers

Sport Premium / Cup Premium

18" Radicale alloys

CAPPED PRICE

Generous Comprehensive Warranties

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with a comprehensive 5 years unlimited kilometre warranty on all of our passenger vehicles.

Capped Price Servicing

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 30,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

24/7 Roadside Assistance

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

Renault Specialist Technicians

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHs, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHs use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

Repair & Service Courtesy Cars

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

Genuine Renault Parts

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

Renault Dealer Network – The Benefits

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.

Terms and conditions apply. Call our Customer Service Team on 1800 009 008 or view the Terms and Conditions statement at www.renault.com.au/drivingpeaceofmind for details.
