MG HS

HELLO STYLISH

HELLO SOPHISTICATION

Owning an MG is synonymous with style and irreverence. With the latest in design, you have a vehicle that will turn heads. The all new MG HS is a completely new benchmark of sophistication bringing together elegant looks with quality finishes.

From smooth lines to stylish stitching in the soft-touch leatherette seats, it's the type of refinement that you'd expect from a brand that's been around since 1924. It redefines the standard of SUV.

HELLO SPORTY

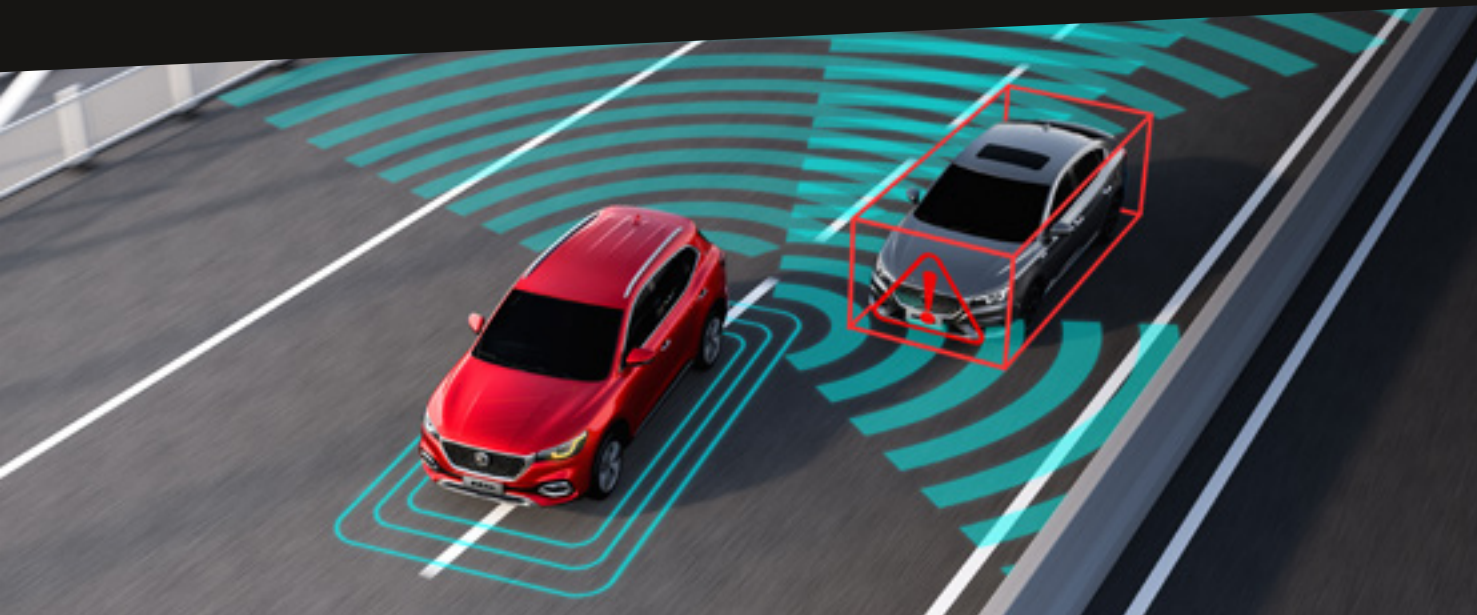

The MG HS is designed to raise pulses. At the front, the stellar field grille sits perfectly between sensual headlights to create a refined, distinctively sporty feel. Travel down the sleek lines, past the gleaming alloys, to the rear where you'll find the twin tailpipes and aluminium bumper projecting vibrant poise and self-assurance.

Inspired by MG's sporty heritage, the interior boasts an elegant racing feel featuring sports pedals, a bright red super sport mode button and leatherette seats with contrasting red stitching. Settle in behind the wheel and drive with an entirely different spirit.

HELLO SAFETY

We haven't compromised on safety or technology. The all new MG HS has a suite of impressive active features designed to assist the driver, maintaining safety and simplifying everyday driving. Adaptive Cruise Control, Active Emergency Braking, Blind Spot Detection, Traffic Jam Assist, Intelligent High Beam Assist and Lane Keep Assist. These all play a part in giving you robust protection in any situation.
