

THE ŠKODA

# KAROQ

**ŠKODA**  
SIMPLY CLEVER

## **READY FOR ANYTHING. YEP, EVEN THAT.**

You never know what might be around the next bend, but in the ŠKODA KAROQ, you'll be more than ready for it. That's because it's packed with state-of-the-art tech and safety systems. Beautiful to look at and even more beautiful to drive, KAROQ is the embodiment of our design philosophy. This compact SUV's game for any adventure.

KAROQ can take you from weekday to weekend in head-turning style. But the real question is, where will you take it?

That's Simply Clever. That's ŠKODA.

# EXTERIOR DESIGN

## FORM FOLLOWS FUN

Inspired by Czech crystal, our SUV is the epitome of refinement. But don't be fooled, the KAROQ also has an appreciation for the great outdoors.

### FRONT VIEW

One look at the distinctive ŠKODA grille and you know this SUV means business. Its fog lamps and sharply cut headlamps help light the way when you're off-roading.

### SIDE VIEW

The sideshow that steals the show. With angular wheel arches and protective sill covers, there's no mistaking the KAROQ for anything but an SUV.

### REAR VIEW

Prepare for some backwards glances. Cat's eye reflectors in the bumper and the iconic wedged-shaped rear lights work to help illuminate KAROQ's lines.

# INTERIOR DESIGN

## A UNIVERSE THAT REVOLVES AROUND YOU

The KAROQ's interior was designed around one thing and one thing only – you. The love child of smarts and style, it's packed with intuitive tech. The interior has everything you need – and it's all right in front of you.

Optional Premium, Tech and Travel Packages shown.

# LIGHT DESIGN

## OUR BEST AND BRIGHTEST

Every aspect of the KAROQ has been thoughtfully designed, including the exterior lights. The optional Premium Package comes with a complete LED system, which you could say is a very bright idea.

### WELCOME LOGO

Standard with the KAROQ, LEDs located on the underside of the front doors create the ŠKODA logo, illuminating the entry area.

### FULL LED HEADLAMPS WITH ADAPTIVE FRONTLIGHT SYSTEM AND FOG LAMPS

Two types of headlamps and fog lamps are available for the KAROQ. The LED headlamps (included in the optional premium pack) offer high-performance and high energy efficiency. The AFS (Adaptive Frontlight System) adjusts the lighting intensity to specific conditions (e.g. city, motorway or driving in the rain), while the main headlamps boast an eye-catching integrated strip of LED daytime running lights. Under poor light conditions the LED fog lamps come into their own, to make you safer.

# SIMPLY CLEVER

## PACK MORE IN

Inside you'll find a place for everything – phones, glasses, drinks, snacks. Were there any reason at all to do so, you could even bring the kitchen sink.

### HOOKS

You'll be hooked as soon as you use them. Whether it's a shopping trip or a trip away, these handy hooks are great for hanging bags from and creating more space.

### CARGO ELEMENTS

To avoid any undesired movement of luggage while driving, these two plastic cargo elements with a Velcro fastener are ideal. They can be stowed away in the compartments behind the rear wheel arches when not in use.

### JUMBO BOX

The spacious storage compartment is housed in the front armrest. It is fitted out with an Easy Open function, coin holder and two drinks holders.

## HANDS-FREE ACCESS

We've made getting into the back of this SUV a whole lot easier, with the optional Tech Pack, you can open the KAROQ's boot by swiping your foot underneath the rear bumper – convenient for when your hands are tied with loads of shopping<sup>Δ</sup>

### VIRTUAL PEDAL<sup>Δ</sup>

Now this is virtually magic, swipe your foot underneath the boot and, hey presto, it opens or closes automatically.

### ELECTRICALLY CONTROLLED TAILGATE<sup>~</sup>

It opens and closes at the touch of a button. There is a button on the remote control and in the driver's door, especially handy in nasty weather.

<sup>Δ</sup>Available with optional Tech Pack.

<sup>~</sup>Available with optional Premium Pack.

# LUGGAGE SPACE

## LIKE YOGA FOR CAR SEATS

The VarioFlex rear seating system is comprised of the three back seats. Each one can be folded down or removed completely independently, giving you plenty of flexibility. With all three folded down you get a luggage capacity of 1,605 litres. Take them out and you'll have a whopping 1,810 litres, that'll fit around 67 yoga mats (we think).

### VARIOFLEX OPTION

Need to fit two passengers and, say, a Grecian statue in the back? Fold down a single backrest.

### VARIOFLEX OPTION

One of many seating options is to fold down the outer rear seats.

### VARIOFLEX OPTION

One passenger, two Grecian statues? Fold down one outer and the middle rear seat.

### VARIOFLEX OPTION

Need extra space? You can easily remove one or two rear seats completely, no tools required.

# COMFORT

Because we know our drivers, you don't need to look hard for those touches that make for a more enjoyable, safer drive. In the KAROQ, they're all around you. It can remember your personal settings ensuring you'll feel instantly at home behind the wheel.

## DRIVER SEAT WITH BUILT-IN MEMORY†

The electrically-adjustable driver seat with built-in memory can store three different seat and side mirror positions.

Overseas model shown,  
local specification may vary.

## KESY

KESY (Keyless Entry, Start/Stop and locking system) features a Start/Stop button on the steering column for keyless ignition and switching off the engine.

## PERSONALISATION OPTIONS<sup>Δ</sup>

The infotainment system allows different drivers to save their own individual preferences for things like driving mode, driver seat position and temperature. A personalised car comes with three keys. When a key is used to unlock the car, the functions are automatically adjusted to that driver's saved settings.

<sup>Δ</sup>Available with optional Tech Pack.

<sup>†</sup>Available with optional Travel Pack.

# PERFORMANCE

The turbo engine offers a triple threat of modern, dynamic and economical. Win. Win. And, you guessed it, win.

## PETROL ENGINES

The 4-cylinder 110 kW engine comes with ACT (Active Cylinder management Technology). This system disconnects 2 cylinders when not needed, considerably reducing fuel consumption.

## TRANSMISSION

The KAROQ is equipped with automatic 7-speed DSG (Direct Shift Gearbox).

# SAFETY

## PROTECT YOUR PRECIOUS CARGO

The KAROQ comes with safety in spades. A wide range of safety features in the KAROQ will assist in keeping you and your passengers safe.

### LANE ASSIST<sup>Ø</sup>

Lane assist, available with the optional Travel Pack, always keeps you on the right track. Using a camera positioned within the rear-view mirror unit, it actively recognises lane markings and takes corrective action by steering you back on course.

### PARK ASSIST<sup>Ø</sup>

Minimise the hassle of parking in tight spots with Park Assist. Available with the optional Tech Pack, at the press of a button, the system will begin searching for a parking spot in a row of parallel or perpendicularly parked vehicles. The car will steer itself into the space while the driver controls the pedals.

<sup>Ø</sup>Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

**ADAPTIVE CRUISE CONTROL<sup>Ø</sup>**

Never get too close for comfort. This system maintains a safe distance from vehicles in front of you, in addition to its basic cruise control function.

**BLIND SPOT DETECT<sup>Ø</sup>**

Blind Spot Detect (available with optional Travel Pack) monitors the hidden areas behind and beside the car. Based on the distance and speed of the surrounding vehicles, it decides whether or not it should warn the driver.

**REAR TRAFFIC ALERT<sup>Ø</sup>**

Back out without backing into anything. Rear Traffic Alert, available with the optional Travel Pack, helps you reverse safely from a parking space during poor visibility. It can even hit the brakes if it detects imminent danger.

<sup>Ø</sup>Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

## SEVEN AIRBAGS

### A FEATURE WE HOPE YOU'LL NEVER SEE

Your safety is our number one priority. In extreme situations, when the driver cannot actively influence the outcome, the car's passive safety elements take over - like the airbags.

#### FRONT AIRBAGS

The driver airbag is enclosed in the steering wheel and the passenger airbag is located in the dashboard.

#### HEAD AIRBAGS

Upon activation, head airbags create a wall designed to protect front and rear occupants against serious head injury.

#### FRONT SIDE AIRBAGS

Designed to protect front and rear occupants against serious head injury. The pelvis and chest of the driver and other passengers in the event of a side collision.

# CONNECTIVITY

## YOU'LL BE EASILY ENTERTAINED BY THE KAROQ.

KAROQ is packed with the technology options that can make everyday journeys easier and more enjoyable. Smarts inside mean that it can seamlessly sync with your external devices. Better still, your kids will never get bored on a journey.

### SMARTLINK^^ WITH APPLE CARPLAY® AND ANDROID AUTO™

Your car and smartphone are now in perfect sync. The SmartLink system delivers a seamless connection between your car and selected apps from your smartphone using, Apple CarPlay® and Android Auto™ interfaces. Whether you want to select and listen to music on your smartphone or receive turn-by-turn directions, selected apps are mirrored and can be controlled via the KAROQ's infotainment unit.

^^SmartLink is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).

ΔAvailable with optional Tech Pack.

### CANTON SOUND SYSTEM^

The Canton Sound System has ten speakers, including a speaker in the dashboard and subwoofer in the luggage compartment, so you can enjoy crystal-clear sound. The total power output is 575 Watts.

### COLUMBUS^

The Columbus navigation system features a 9.2" display and 3D view. The device offers not only comfortable touch control, but also gesture control, which uses the proximity sensor to let the touchscreen know when a hand is moving toward it, bringing up the menu. The Columbus navigation also comes standard with features such as Bluetooth® and SmartLink smartphone connectivity.

Optional 19" CRATER wheel shown.

# CUSTOMISATION

## UPHOLSTERY

Fabric Black (Standard)

# WELCOME TO CARE-FREE OWNERSHIP

ŠKODA Care is about making sure that same level of attention to detail remains long after you've made your purchase, making owning a ŠKODA as fantastic as buying one.

## 5 YEAR WARRANTY<sup>^</sup> UNLIMITED KMS

After getting behind the wheel of a ŠKODA, it's not hard to see why they're so beloved by their owners. Quite simply, ŠKODA vehicles are made to be driven and we want to keep your journey a long and happy one. And the way it works is simple. ŠKODA Australia provides a 5 Year/Unlimited Kilometre Warranty<sup>^</sup> on all new vehicles. Every new ŠKODA vehicle includes one year ŠKODA Assist<sup>±</sup> (Roadside Assistance), from the warranty start date. The roadside assistance will subsequently be renewed on an annual basis for the second, third, fourth and fifth years, if the vehicle is returned to an authorised ŠKODA dealer for scheduled maintenance (as per the ŠKODA service program) up to a maximum of five years.

### ŠKODA Service Pricing

Buying a car is one thing, but owning a car is something else entirely. We're sure you'll want to know the costs of any service before you book it in. The cogs in our heads have been turning and we've come up with a solution we think is pretty clever. Our handy online service calculator can help you find the cost of your next service, scheduled to occur every 12 months/15,000 kms (whichever occurs first)\*. No hidden expenses, no nasty surprises.

### Genuine Parts

You don't have to be a genius (AKA a ŠKODA technician) to know that non-genuine parts aren't as good as using genuine ones. Our philosophy towards fixing your car is simple; the parts we use are identical to the parts used in the production of your car originally. Genuinely. And with a nationwide, two year, unlimited kilometre warranty on all genuine parts, peace of mind comes easily too. Exclusions apply, please visit [skoda.com.au](http://skoda.com.au).

### Service Packs

Why worry about handling the payment of your services on an ad-hoc basis when you already know you need to get them annually? Conveniently, you can save time by pre-paying your servicing with a 3 Year/45 000km (whichever occurs first) or a 5 year/75 000km (whichever occurs first) ŠKODA Service Pack<sup>†</sup> at any of our ŠKODA dealers. That way you can simply book a service time that suits you, and the costs are already covered. Your car, serviced at your convenience.

<sup>^</sup>Conditions and exclusions apply, see [www.skoda.com.au/owners/warranty](http://www.skoda.com.au/owners/warranty). Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

<sup>±</sup>ŠKODA Assist (roadside assistance) is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as Allianz Global Assistance, under an arrangement with Volkswagen Group Australia Pty Limited ABN 14 093 117 876. Conditions and exclusions apply, see [www.skoda.com.au/owners/roadside-assistance](http://www.skoda.com.au/owners/roadside-assistance). \*ŠKODA Service Pricing applies to the first 6 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first). On or before 31 December each year, ŠKODA will publish the maximum price for a specified Scheduled Service that will be applicable from, and remain fixed for, the following calendar year only. For details on pricing, items not included in the Service Price and for full terms and conditions please see [www.skoda.com.au/skoda-care/service-pricing](http://www.skoda.com.au/skoda-care/service-pricing). <sup>†</sup>ŠKODA Service Pack are available at ŠKODA Dealers for all models and covers standard items as contained in each scheduled service interval only. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions available here: [www.skoda.com.au/skoda-care](http://www.skoda.com.au/skoda-care).

# REMOVE ANY DOUBT WITH ŠKODA CHOICE.

ŠKODA Choice<sup>±</sup> is a flexible finance program that allows you to guarantee your vehicle's minimum future value<sup>±</sup> at the time of purchase, giving you peace of mind knowing the value of your ŠKODA is secured.

- ✓ Freedom to tailor your contract term and kilometre allowance to suit your lifestyle.
- ✓ Fixed interest rate for the life of your Loan with no account keeping fees.
- ✓ At the end of your ŠKODA Choice contract you can select from three simply clever options – trade-in, retain or return.
- ✓ Opportunity to upgrade your ŠKODA more often, enjoying the latest model with the best innovations and technology.

## HOW IT WORKS

### Step 1

Choose your favourite ŠKODA model.

### Step 2

Choose your preferred term from between 12 and 48 months, along with an annual km allowance and repayment options that suit your lifestyle.

### Step 3

At the end of your chosen term, select from one of the three end of term options:

#### Trade in

If you wish to trade-in your ŠKODA for a new vehicle, all you need to do is return it to the dealership. If the trade-in value is higher than the Guaranteed Future Value<sup>±</sup>, you can use this equity towards your new vehicle.

#### Retain

If you prefer to retain your ŠKODA, simply let us know. Provided that you also meet the relevant payment obligations under your contract, you can purchase your vehicle outright for the Guaranteed Future Value amount locked in at the start of the contract<sup>±</sup>. Then your ŠKODA is yours to keep. Or you can choose to refinance your balloon at the end of the term.

#### Return

All you need to do is hand your car back and, if the vehicle meets the agreed kilometre and fair wear and tear requirements<sup>±</sup>, you will have no more to pay.

For more information on our Guaranteed Future Value program, visit <https://www.skoda.com.au/finance/skoda-choice>

<sup>±</sup>ŠKODA Choice consists of an option to return your vehicle to ŠKODA Financial Services (SFS) ABN 20 097 071 460, Australian Credit Licence 389344, at the end of the term and requires SFS to purchase the vehicle at an agreed price determined by SFS, known as the Guaranteed Future Value (GFV). At the end of the term, you can elect to: (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV, which is a lump sum owed to SFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Available on new and demonstrator ŠKODA vehicles for selected models. Contact your nearest ŠKODA dealer to verify eligible vehicles for this program. Fleet, government, rental buyers, hire car and chauffeur companies excluded.

THE NEW ŠKODA

# KAROQ SPORTLINE

**ŠKODA**  
SIMPLY CLEVER

# SPORTSWEAR FOR ANYWHERE

Who said an SUV has to look like one?  
The new ŠKODA KAROQ SPORTLINE  
proves that you can look sporty  
no matter when or where.

Polished with sporty details both on the  
outside and in, the car makes its athletic  
ambitions known instantly. And being the  
ŠKODA that it is, plenty of Simply Clever  
solutions, generous space and modern  
connectivity features ensure that you  
can go about your chores and adventures  
in total comfort.

The KAROQ SPORTLINE is yet another  
example of our philosophy of making  
beautifully designed cars that are as  
much a joy to drive now as they were  
back when we started.

That's Simply Clever. That's ŠKODA.

# SPORTY, FROM EVERY ANGLE

The specific features such as black external side-view mirror caps, door sill covers in both the body colour and black, black front grille frame and rear diffuser, SunSet tinted windows and exclusive black alloy wheels, give the car a distinctive sporty look combining the multi-purpose KAROQ design with high dynamic style.

# BORROW SOME RACING GENES

Sporty appearance meets sporty character. The KAROQ SPORTLINE will not only attract you with its distinctive exterior and dark tuned interior, but will also add a sporty edge to the driving experience.

## BADGE

The car features the original SportLine badge on both front mudguards.

## STYLE AND FUNCTIONALITY

The characteristic sharply cut headlamps and fog lamps of the KAROQ have found their way inside the SportLine version too. The top-end option is all about LED technology. While the black front grille frame and 18" Mytikas or optional 19" Vega black alloy wheels give more ferocity to the car's expression, the agile engines have a lot to offer in terms of a sporty driving style. Our range includes petrol as well as diesel engines with 140 kW and 110 kW outputs, with the 140 kW output exclusive to the 4x4 drive.

## LOGO

You will also find the original SportLine logo on the dashboard.

## INTERIOR DESIGN

The interior features sports front seats with integrated headrests and lumbar support. The upholstery with ThermoFlux function, which ensures more breathability, offers maximum comfort in all climates. The carbon décor in the door panelling and black ceiling enhance the interior sports style.

A detailed view of the interior of a Skoda Karoq Sportline. The image shows the driver's side, including the steering wheel with the Skoda logo and perforated leather texture, the instrument cluster with analog gauges and a digital display, the infotainment screen showing 'SPORT LINE', and the center console with the gear shifter and handbrake. The interior is finished with black leather and silver stitching, and features LED ambient lighting along the dashboard and door panels.

## COMFORT YOU CAN TOUCH

The KAROQ SPORTLINE is ready to spoil you. The multifunctional sports steering wheel in perforated leather is decorated with silver stitching, which you can also find on the front armrest. The LED ambient lights running along the inside of the car will set the perfect mood for any journey. In addition, you can opt for the Digital Instrument Panel with specific graphics for the SportLine version and Columbus navigation system with a 9.2" display offering convenient touch and gesture control.

# ŠKODA CONNECT: TAKE THE ONLINE WORLD WITH YOU

Stay connected wherever you are. Being online fully and permanently means not only having access to entertainment and information, but also possible assistance while on the move. ŠKODA CONNECT is your gateway to a world of unlimited communication possibilities.

### ŠKODA CONNECT

This offer includes two categories of service. While Infotainment Online delivers real-time information to navigation about traffic, for example, Care Connect focuses on help and safety, enabling remote access and control of the vehicle. It also offers an assistance service for any situation that needs it.

### PARKING POSITION

Retrieve the exact location of your car in large car parks from anywhere, by displaying the address, time and date of parking on your mobile phone.

### DRIVING DATA

Information about your journey, such as average consumption, average speed, distance and journey time, is stored. You can display your personal driving data and have an overview of all your trips.

### EMERGENCY CALL

The SOS call is made automatically during an emergency where the restraint system has been activated. This emergency system can also be activated manually by pressing the red button on the roof console.

### WEATHER

Get the latest weather report for your current location, destination or anywhere else with detailed forecasts, including precipitation predictions and warnings.

### SMARTLINK+

With the SmartLink+ system (ŠKODA Connectivity bundle supporting MirrorLink®, Apple CarPlay, Android Auto) the car's infotainment system enables the driver to safely use the phone while driving. Plus, all installed applications that are certified as safe for vehicles are compatible with MirrorLink®, Apple CarPlay or Android Auto. The SmartLink+ system also includes the SmartGate function. It enables you to connect your smartphone to the car via cable to access interesting data about your drive, like driving economy, driving dynamics or service information. (Visit our website for usage terms and compatibility information for SmartLink+.)

### ONLINE TRAFFIC INFORMATION

Always take the best route: up-to-date information gives you a perfect overview of every trip. It also enables you to react to new developments, such as roadworks, accidents and traffic jams.

#### IMAGE DISCLAIMER

The images presented in this catalogue (brochure) are used for illustrative purposes only and are not intended to form part of any contract or warranty. They display pre-series cars and certain illustrations, features, parts and equipment may differ from the actual production cars and from country to country. To get the exact specification of features, parts and equipment, please get in touch with your nearest local ŠKODA dealer.

#### MyŠKODA App

Get your very own personal digital companion. Download MyŠKODA App featuring PAUL, an interactive assistant who's there to help you, not only with watching over your car, but also with managing your day.

#### ŠKODA Connect App

Enjoy full control of your car. Download ŠKODA Connect and access all necessary features anytime, whether it's driving data, fuel range, planning a route or even where you last parked.
